

tate is sought for these services, the bankruptcy judge is disqualified from awarding compensation.

NOTES OF ADVISORY COMMITTEE ON RULES—1991
AMENDMENT

The 1986 amendments to the Code provide that the United States trustee shall appoint trustees in chapter 7, chapter 12, and chapter 13 cases without the necessity of court approval. This rule is not intended to apply to the appointment of trustees in those cases because it would be inappropriate for a court rule to restrict in advance the exercise of discretion by the executive branch. See Committee Note to Rule 2009.

In chapter 11 cases, a trustee or examiner is appointed by the United States trustee after consultation with parties in interest and subject to court approval. Subdivision (a), as amended, prohibits the approval of the appointment of an individual as a trustee or examiner if the person is a relative of the United States trustee making the appointment or the bankruptcy judge approving the appointment.

The United States trustee neither appoints nor approves the employment of professional persons employed pursuant to §§327, 1103, or 1114 of the Code. Therefore, subdivision (a) is not a prohibition against judicial approval of employment of a professional person who is a relative of the United States trustee. However, the United States trustee monitors applications for compensation and reimbursement of expenses and may raise, appear and be heard on issues in the case. Employment of relatives of the United States trustee may be approved unless the court finds, after considering the relationship and the particular circumstances of the case, that the relationship would cause the employment to be improper. As used in this rule, “improper” includes the appearance of impropriety.

United States trustee is defined to include a designee or assistant United States trustee. See Rule 9001. Therefore, subdivision (a) is applicable if the person appointed as trustee or examiner or the professional to be employed is a relative of a designee of the United States trustee or any assistant United States trustee in the region in which the case is pending.

This rule is not exclusive of other laws or rules regulating ethical conduct. See, e.g., 28 CFR §45.735-5.

Rule 5003. Records Kept By the Clerk

(a) **BANKRUPTCY DOCKETS.** The clerk shall keep a docket in each case under the Code and shall enter thereon each judgment, order, and activity in that case as prescribed by the Director of the Administrative Office of the United States Courts. The entry of a judgment or order in a docket shall show the date the entry is made.

(b) **CLAIMS REGISTER.** The clerk shall keep in a claims register a list of claims filed in a case when it appears that there will be a distribution to unsecured creditors.

(c) **JUDGMENTS AND ORDERS.** The clerk shall keep, in the form and manner as the Director of the Administrative Office of the United States Courts may prescribe, a correct copy of every final judgment or order affecting title to or lien on real property or for the recovery of money or property, and any other order which the court may direct to be kept. On request of the prevailing party, a correct copy of every judgment or order affecting title to or lien upon real or personal property or for the recovery of money or property shall be kept and indexed with the civil judgments of the district court.

(d) **INDEX OF CASES; CERTIFICATE OF SEARCH.** The clerk shall keep indices of all cases and adversary proceedings as prescribed by the Director of the Administrative Office of the United

States Courts. On request, the clerk shall make a search of any index and papers in the clerk’s custody and certify whether a case or proceeding has been filed in or transferred to the court or if a discharge has been entered in its records.

(e) **REGISTER OF MAILING ADDRESSES OF FEDERAL AND STATE GOVERNMENTAL UNITS AND CERTAIN TAXING AUTHORITIES.** The United States or the state or territory in which the court is located may file a statement designating its mailing address. The United States, state, territory, or local governmental unit responsible for collecting taxes within the district in which the case is pending may also file a statement designating an address for service of requests under §505(b) of the Code, and the designation shall describe where further information concerning additional requirements for filing such requests may be found. The clerk shall keep, in the form and manner as the Director of the Administrative Office of the United States Courts may prescribe, a register that includes the mailing addresses designated under the first sentence of this subdivision, and a separate register of the addresses designated for the service of requests under §505(b) of the Code. The clerk is not required to include in any single register more than one mailing address for each department, agency, or instrumentality of the United States or the state or territory. If more than one address for a department, agency, or instrumentality is included in the register, the clerk shall also include information that would enable a user of the register to determine the circumstances when each address is applicable, and mailing notice to only one applicable address is sufficient to provide effective notice. The clerk shall update the register annually, effective January 2 of each year. The mailing address in the register is conclusively presumed to be a proper address for the governmental unit, but the failure to use that mailing address does not invalidate any notice that is otherwise effective under applicable law.

(f) **OTHER BOOKS AND RECORDS OF THE CLERK.** The clerk shall keep any other books and records required by the Director of the Administrative Office of the United States Courts.

(As amended Mar. 30, 1987, eff. Aug. 1, 1987; Apr. 17, 2000, eff. Dec. 1, 2000; Apr. 23, 2008, eff. Dec. 1, 2008.)

NOTES OF ADVISORY COMMITTEE ON RULES—1983

This rule consolidates former Bankruptcy Rules 504 and 507. The record-keeping duties of the referee under former Bankruptcy Rule 504 are transferred to the clerk. Subdivisions (a), (c), (d) and (e) are similar to subdivisions (a)–(d) of Rule 79 F.R.Civ.P.

Subdivision (b) requires that filed claims be listed on a claims register only when there may be a distribution to unsecured creditors. Compilation of the list for no asset or nominal asset cases would serve no purpose.

Rule 2013 requires the clerk to maintain a public record of fees paid from the estate and an annual summary thereof.

Former Bankruptcy Rules 507(d) and 508, which made materials in the clerk’s office and files available to the public, are not necessary because §107 of the Code guarantees public access to files and dockets of cases under the Code.

NOTES OF ADVISORY COMMITTEE ON RULES—1987
AMENDMENT

Subdivision (a) has been made more specific.

Subdivision (c) is amended to require that on the request of the prevailing party the clerk of the district court shall keep and index bankruptcy judgments and orders affecting title to or lien upon real or personal property or for the recovery of money or property with the civil judgments of the district court. This requirement is derived from former Rule 9021(b). The Director of the Administrative Office will provide guidance to the bankruptcy and district court clerks regarding appropriate paperwork and retention procedures.

COMMITTEE NOTES ON RULES—2000 AMENDMENT

Subdivision (e) is added to provide a source where debtors, their attorneys, and other parties may go to determine whether the United States or the state or territory in which the court is located has filed a statement designating a mailing address for notice purposes. By using the address in the register—which must be available to the public—the sender is assured that the mailing address is proper. But the use of an address that differs from the address included in the register does not invalidate the notice if it is otherwise effective under applicable law.

The register may include a separate mailing address for each department, agency, or instrumentality of the United States or the state or territory. This rule does not require that addresses of municipalities or other local governmental units be included in the register, but the clerk may include them.

Although it is important for the register to be kept current, debtors, their attorneys, and other parties should be able to rely on mailing addresses listed in the register without the need to continuously inquire as to new or amended addresses. Therefore, the clerk must update the register, but only once each year.

To avoid unnecessary cost and burden on the clerk and to keep the register a reasonable length, the clerk is not required to include more than one mailing address for a particular agency, department, or instrumentality of the United States or the state or territory. But if more than one address is included, the clerk is required to include information so that a person using the register could determine when each address should be used. In any event, the inclusion of more than one address for a particular department, agency, or instrumentality does not impose on a person sending a notice the duty to send it to more than one address.

GAP Report on Rule 5003. No changes since publication.

COMMITTEE NOTES ON RULES—2008 AMENDMENT

The rule is amended to implement §505(b)(1) of the Code added by the 2005 amendments, which allows a taxing authority to designate an address to use for the service of requests under that subsection. Under the amendment, the clerk is directed to maintain a separate register for mailing addresses of governmental units solely for the service of requests under §505(b). This register is in addition to the register of addresses of governmental units already maintained by the clerk. The clerk is required to keep only one address for a governmental unit in each register.

Changes Made After Publication. Subdivision (e) was amended to clarify that the clerk must maintain a separate mailing address register that contains the addresses to which notices pertaining to actions under §505 of the Code are to be sent.

Rule 5004. Disqualification

(a) **DISQUALIFICATION OF JUDGE.** A bankruptcy judge shall be governed by 28 U.S.C. §455, and disqualified from presiding over the proceeding or contested matter in which the disqualifying circumstances¹ arises or, if appropriate, shall be disqualified from presiding over the case.

¹ So in original. Probably should be “circumstance”.

(b) **DISQUALIFICATION OF JUDGE FROM ALLOWING COMPENSATION.** A bankruptcy judge shall be disqualified from allowing compensation to a person who is a relative of the bankruptcy judge or with whom the judge is so connected as to render it improper for the judge to authorize such compensation.

(As amended Apr. 29, 1985, eff. Aug. 1, 1985; Mar. 30, 1987, eff. Aug. 1, 1987.)

NOTES OF ADVISORY COMMITTEE ON RULES—1983

Subdivision (a). Disqualification of a bankruptcy judge is governed by 28 U.S.C. §455. That section provides that the judge “shall disqualify himself in any proceeding in which his impartiality might reasonably be questioned” or under certain other circumstances. In a case under the Code it is possible that the disqualifying circumstance will be isolated to an adversary proceeding or contested matter. The rule makes it clear that when the disqualifying circumstance is limited in that way the judge need only disqualify himself from presiding over that adversary proceeding or contested matter.

It is possible, however, that even if the disqualifying circumstance arises in connection with an adversary proceeding, the effect will be so pervasive that disqualification from presiding over the case is appropriate. This distinction is consistent with the definition of “proceeding” in 28 U.S.C. §455(d)(1).

Subdivision (b) precludes a bankruptcy judge from allowing compensation from the estate to a relative or other person closely associated with the judge. The subdivision applies where the judge has not appointed or approved the employment of the person requesting compensation. Perhaps the most frequent application of the subdivision will be in the allowance of administrative expenses under §503(b)(3)–(5) of the Code. For example, if an attorney or accountant is retained by an indenture trustee who thereafter makes a substantial contribution in a chapter 11 case, the attorney or accountant may seek compensation under §503(b)(4). If the attorney or accountant is a relative of or associated with the bankruptcy judge, the judge may not allow compensation to the attorney or accountant. Section 101(34) defines relative and Rule 9001 incorporates the definitions of the Code. See the Advisory Committee’s Note to Rule 5002.

NOTES OF ADVISORY COMMITTEE ON RULES—1985
AMENDMENT

Subdivision (a) was affected by the Bankruptcy Amendments and Federal Judgeship Act of 1984, P.L. 98-353, 98 Stat. 333. The 1978 Bankruptcy Reform Act, P.L. 95-598, included bankruptcy judges in the definition of United States judges in 28 U.S.C. §451 and they were therefore subject to the provisions of 28 U.S.C. §455. This was to become effective on April 1, 1984, P.L. 95-598, §404(b). Section 113 of P.L. 98-353, however, appears to have rendered the amendment to 28 U.S.C. §451 ineffective. Subdivision (a) of the rule retains the substance and intent of the earlier draft by making bankruptcy judges subject to 28 U.S.C. §455.

The word “associated” in subdivision (b) has been changed to “connected” in order to conform with Rule 5002(b).

NOTES OF ADVISORY COMMITTEE ON RULES—1987
AMENDMENT

The rule is amended to be gender neutral. The bankruptcy judge before whom the matter is pending determines whether disqualification is required.

Rule 5005. Filing and Transmittal of Papers

(a) **FILING.**

(1) *Place of Filing.* The lists, schedules, statements, proofs of claim or interest, complaints,
