

as part of the Annual Housing Survey conducted by the Department of Housing and Urban Development or by other means, collect data on crime and vandalism and integrate the data collection with the victimization surveys undertaken by the Department of Justice and the Department of Commerce.

“(6) The Secretary shall, to the maximum extent practicable, utilize information derived from the program authorized by this section for assisting in establishing (A) guidelines to be used by public housing authorities in determining strategies to meet the security needs of tenants of public housing projects assisted under the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.] other than under section 8 of such Act [42 U.S.C. 1437f], and (B) guidelines for improvements relating to the security of projects (and the tenants living in such projects) assisted under section 14 of such Act [42 U.S.C. 1437j].

“(d) The Secretary shall initiate and carry out a survey of crime and vandalism existing in the Nation’s public housing projects. The survey shall include the nature, extent and impact of crime and vandalism and the nature and extent of resources currently available and employed to alleviate crime and vandalism in public housing.

“(e) The Secretary shall report to the Congress not later than eighteen months after the date of enactment of the Housing and Community Development Act of 1980 [Oct. 8, 1980]. Such report shall include the results of the survey on crime and vandalism in public housing; findings from the demonstration and evaluation of various methods of reducing the level of crime; and legislative recommendations, if appropriate for (A) a comprehensive program to increase security in public housing projects and (B) increasing the coordination between anticrime programs of other State and Federal agencies that may be used by public housing authorities. Any recommendations shall include estimated costs of such programs.

“(f) Of the additional authority approved in appropriation Acts with respect to entering into annual contributions contracts under section 5(c) of the United States Housing Act of 1937 [42 U.S.C. 1437c(c)] for the fiscal year beginning on October 1, 1978, the Secretary may utilize up to \$12,000,000 of such authority in the fiscal year beginning on October 1, 1978, for the establishment of the public housing security demonstration program authorized by this section. Of the authority approved in appropriation Acts for the purpose of entering into annual contributions contracts under section 5(c) of the United States Housing Act of 1937 with respect to the fiscal year beginning on October 1, 1980, the Secretary may enter into contracts to carry out this section, except that the aggregate amount obligated over the duration of such contracts may not exceed \$10,000,000.”

§ 1701z-7. Studies to determine extent of need for counseling to mortgagors; report to Congress

(a) In carrying out activities under section 1701z-1 of this title, the Secretary is directed to undertake programs of studies and demonstrations within at least three standard metropolitan statistical areas to determine the extent of need for and cost effectiveness of providing pre-purchase, default and delinquency counseling and related services to owners and purchasers of single-family dwellings insured or to be insured under the unsubsidized mortgage insurance programs of the National Housing Act [12 U.S.C. 1701 et seq.].

(b) Within one year from August 3, 1976, the Secretary shall submit an interim report to the Congress with respect to the progress made under such studies and demonstrations, including an estimate as to the date when a final report on the results of such demonstrations will be made available to the Congress.

REFERENCES IN TEXT

The National Housing Act, referred to in subsec. (a), is act June 27, 1934, ch. 847, 48 Stat. 1246, as amended, which is classified principally to this chapter (§1701 et seq.). For complete classification of this Act to the Code, see section 1701 of this title and Tables.

CODIFICATION

Section was enacted as part of the Housing and Urban Development Act of 1970, and not as part of the National Housing Act which comprises this chapter.

§ 1701z-8. Energy conservation and renewable-resource demonstration

(a) National demonstration program; purpose

The Secretary shall undertake a national demonstration program designed to test the feasibility and effectiveness of various forms of financial assistance for encouraging the installation or implementation of approved energy conservation measures and approved renewable-resource energy measures in existing dwelling units. The Secretary shall carry out such demonstration program with a view toward recommending a national program or programs designed to reduce significantly the consumption of energy in existing dwelling units.

(b) Financial assistance to owners and tenants of dwelling units; authorization of Secretary

The Secretary is authorized to make financial assistance available pursuant to this section in the form of grants, low-interest-rate loans, interest subsidies, loan guarantees, and such other forms of assistance as the Secretary deems appropriate to carry out the purposes of this section. Assistance may be made available to both owners of dwelling units and tenants occupying such units.

(c) Duties of Secretary

In carrying out the demonstration program required by this section, the Secretary shall—

(1) provide assistance in a wide variety of geographic areas to reflect differences in climate, types of dwelling units, and income levels of recipients in order to provide a national profile for use in designing a program which is to be operational and effective nationwide;

(2) evaluate the appropriateness of various financial incentives for different income levels of owners and occupants of existing dwelling units;

(3) take into account and evaluate any other financial assistance which may be available for the installation or implementation of energy conservation and renewable-resource energy measures;

(4) make use of such State and local instrumentalities or other public or private entities as may be appropriate in carrying out the purposes of this section in coordination with the provisions of part C of title III of the Energy Policy and Conservation Act [42 U.S.C. 6321 et seq.];

(5) consider, with respect to various forms of assistance and procedures for their application, (A) the extent to which energy conservation measures and renewable-resource energy
