(c) Duties of Secretary

In carrying out the demonstration program required by this section, the Secretary shall—

The Secretary may also modify the limitations specified in this paragraph if necessary in order to achieve the purposes of this section.

(2) No person shall be eligible for both financial assistance under this section and a credit against income tax for the same energy conservation measure or renewable-resource energy measure.

(e) Conditions upon availability of financial assistance

The Secretary may condition the availability of financial assistance with respect to the installation and implementation of any renewable-resource energy measure on such measure's meeting performance standards for reliability and efficiency and such certification procedures as the Secretary may, in consultation with the Administrator, the Secretary of Housing and Urban Development, and other appropriate Federal agencies, prescribe for the purpose of protecting consumers.
