WHEREAS the existence of a strong and healthy free enterprise system is directly related to the well being and competitive strength of small business concerns and their opportunities for free entry into business, growth, and expansion; and

WHEREAS the departments and agencies of the United States Government exercise, through their regulatory and other programs and practices, a significant

influence on the well being and competitive strength of business concerns, particularly minority-owned business concerns, and their opportunities for free entry into business, growth and expansion; and

WHEREAS members of minority groups traditionally have aspired to own their own businesses and thereby to participate in our free enterprise system; and

WHEREAS members of certain minority groups through no fault of their own have been denied the full opportunity to achieve these aspirations; and

WHEREAS the policy of the Executive Branch of the United States Government continues to be, as was described by President Dwight D. Eisenhower, "to strive to eliminate obstacles to the growth of small business"; and

WHEREAS the Small Business Act (72 Stat. 384, 15 U.S.C. 631) declares the Congressional policy that the United States Government should aid, counsel, assist and protect, insofar as is possible, the interests of small business concerns; and

WHEREAS the Small Business Administration is the agency within the Executive Branch of the United States Government especially responsible for and with an established program of advocacy in matters relating to small business; and

WHEREAS section 8(b)(12) of the Small Business Act (72 Stat. 391, 15 U.S.C. 637(b)(12)) empowers the Small Business Administration to consult and cooperate with all Government agencies for the purpose of insuring that small business concerns receive fair and reasonable treatment from such agencies, and section 10(f) of that Act (72 Stat. 393, 15 U.S.C. 639(f)) requires each department and agency of the Federal Government, when requested by the Administrator of the Small Business Administration, to consult and cooperate with the Administration in the formulation by such department or agency of policies affecting small business concerns, in order to insure that small business interests will be recognized, protected, and preserved:

To this end, the Small Business Administration may participate in investigations, hearings, or other proceedings pending before such departments or agencies and submit evidence, briefs, and arguments in accordance with, and to the extent permitted by, the department's or agency's rules of practice and procedure.

Nothing in this order shall be construed to authorize the Small Business Administration to act as an attorney for an individual concern in any investigation, hearing, or other proceeding pending before any department or agency of the United States Government. Nothing in this order shall be construed to subject any department or agency to the authority of any other department or agency, to affect the present authority of any department or agency to participate in the proceedings of another department or agency, or to affect the authority of the Attorney General under 28 U.S.C. 519.
