§ 689e. Issuance and guarantee of trust certificates

(a) Issuance

The Administrator may issue trust certificates representing ownership of all or a fractional part of debentures issued by a New Markets Venture Capital company and guaranteed by the Administrator under this part, if such certificates are based on and backed by a trust or pool approved by the Administrator and composed solely of guaranteed debentures.

(b) Guarantee

(1) In general

The Administrator may, under such terms and conditions as it deems appropriate, guarantee the timely payment of the principal of and interest on trust certificates issued by the Administrator or its agents for purposes of this section.

Each guarantee under this subsection shall be limited to the extent of principal and interest on the guaranteed debentures that compose the trust or pool.

(3) Prepayment or default

(e) Subrogation and ownership rights

(1) Subrogation

In the event the Administrator pays a claim under a guarantee issued under this section, it shall be subrogated fully to the rights satisfied by such payment.

(2) Ownership rights

No Federal, State, or local law shall preclude or limit the exercise by the Administrator of its ownership rights in the debentures residing in a trust or pool against which trust certificates are issued under this section.

(ii) the issuance of trust certificates to facilitate the creation of such trusts or pools.

(B) Fidelity bond or insurance requirement

Any agent performing functions on behalf of the Administrator under this paragraph shall provide a fidelity bond or insurance in such amounts as the Administrator determines to be necessary to fully protect the interests of the United States.
