If any accountant, engineer, or appraiser, or any person whose profession gives authority to a statement made by him, is named as having prepared or certified any part of the registration statement, or is named as having prepared or certified a report or valuation for use in connection with the registration statement, the written consent of such person shall be filed with the registration statement. If any such person is named as having prepared or certified a report or valuation (other than a public official document or statement) which is used in connection with the registration statement, but is not named as having prepared or certified such report or valuation for use in connection with the registration statement, the written consent of such person shall be filed with the registration statement unless the Commission dispenses with such filing as impracticable or as involving undue hardship on the person filing the registration statement. (1) The Commission shall prescribe special rules with respect to registration statements filed by any issuer that is a blank check company. Such rules may, as the Commission determines necessary or appropriate in the public interest or for the protection of investors—

(i) data having unique identifiers relating to loan brokers or originators;
