“(c) AUTHORIZATION.—There is hereby authorized to be appropriated to the Secretary of the Interior such sums as may be necessary to carry out this section.”

PROJECTS ON FRESH WATERS IN STATE OF HAWAII

Pub. L. 102-486, title XXIV, §2408, Oct. 24, 1992, 106 Stat. 3100, directed Federal Energy Regulatory Commission, in consultation with State of Hawaii, to carry out study of hydroelectric licensing in State of Hawaii for purposes of considering whether such licensing should be transferred to State, and directed Commission to complete study and submit report containing results of study to Congress within 18 months after Oct. 24, 1992.

§ 797a. Congressional authorization for permits, licenses, leases, or authorizations for dams, conduits, reservoirs, etc., within national parks or monuments

On and after March 3, 1921, no permit, license, lease, or authorization for dams, conduits, reservoirs, power houses, transmission lines, or other works for storage or carriage of water, or for the development, transmission, or utilization of power within the limits as constituted, March 3, 1921, of any national park or national monument shall be granted or made without specific authority of Congress.

(Mar. 3, 1921, ch. 129, 41 Stat. 1353.)

CODIFICATION

Provisions repealing so much of this chapter “as authorizes licensing such uses of existing national parks and national monuments by the Federal Power Commission” have been omitted.

Section was not enacted as part of the Federal Power Act which generally comprises this chapter.

Section 212 of act Aug. 26, 1935, ch. 687, title II, 49 Stat. 847, provided that nothing in this chapter, as amended should be construed to repeal or amend the provisions of the act approved Mar. 3, 1921 (41 Stat. 1353) [16 U.S.C. 797a] or the provisions of any other Act relating to national parks and national monuments.

§ 797b. Duty to keep Congress fully and currently informed

The Federal Energy Regulatory Commission shall keep the Committee on Energy and Commerce of the United States House of Representatives and the Committee on Energy and Natural Resources of the United States Senate fully and currently informed regarding actions of the Commission with respect to the provisions of Part I of the Federal Power Act [16 U.S.C. 791a et seq.].

CHANGE OF NAME

Committee on Energy and Commerce of House of Representatives treated as referring to Committee on

Commerce of House of Representatives by section 1(a) of Pub. L. 104-14, set out as a note preceding section 21 of Title 2, The Congress. Committee on Commerce of House of Representatives changed to Committee on Energy and Commerce of House of Representatives, and jurisdiction over matters relating to securities and exchanges and insurance generally transferred to Committee on Financial Services of House of Representatives by House Resolution No. 5, One Hundred Seventh Congress, Jan. 3, 2001.

§ 797c. Dams in National Park System units

After October 24, 1992, the Federal Energy Regulatory Commission may not issue an original license under Part I of the Federal Power Act [16 U.S.C. 791a et seq.] (nor an exemption from such Part) for any new hydroelectric power project located within the boundaries of any unit of the National Park System that would have a direct adverse effect on Federal lands within any such unit. Nothing in this section shall be construed as repealing any existing provision of law (or affecting any treaty) explicitly authorizing a hydroelectric power project.

§ 797d. Third party contracting by FERC

(a) Environmental impact statements

Where the Federal Energy Regulatory Commission is required to prepare a draft or final environmental impact statement under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 and following) in connection with an application for a license under part I of the Federal Power Act [16 U.S.C. 791a et seq.], the Commission may permit, at the election of the applicant, a contractor, consultant or other person funded by the applicant and chosen by the Commission from among a list of such individuals or companies determined by the Commission to be qualified to do such work, to prepare such statement for the Commission. The contractor shall execute a disclosure statement prepared by the Commission specifying that it has no financial or other interest in the outcome of the project. The Commission shall establish the scope of work and procedures to assure that the contractor, consultant or other person has no financial or other potential conflict of interest in the outcome of the proceeding. Nothing herein shall affect the Commission’s responsibility to comply with the National Environmental Policy Act of 1969.

(b) Environmental assessments

Where an environmental assessment is required under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 and following) in connection with an application for a license under

part I of the Federal Power Act [16 U.S.C. 791a et seq.], the Commission may permit an applicant, or a contractor, consultant or other person selected by the applicant, to prepare such environmental assessment. The Commission shall institute procedures, including pre-application consultations, to advise potential applicants of studies or other information foreseeably required by the Commission. The Commission may allow the filing of such applicant-prepared environmental assessments as part of the application. Nothing herein shall affect the Commission's responsibility to comply with the National Environmental Policy Act of 1969.

(c) Effective date

This section shall take effect with respect to license applications filed after October 24, 1992.

AMENDMENTS

1998—Pub. L. 105-192 inserted at end “Licenses may be revoked only for the reasons and in the manner prescribed under the provisions of this chapter, and may be altered or surrendered only upon mutual agreement between the licensee and the Commission after thirty days' public notice.”

1996—Pub. L. 104-316 struck out at end “Licenses may be revoked only for the reasons and in the manner prescribed under the provisions of this chapter, and may be altered or surrendered only upon mutual agreement between the licensee and the Commission after thirty days' public notice.”

Pub. L. 104-106 struck out at end “Copies of all licenses issued under the provisions of this subchapter and calling for the payment of annual charges shall be deposited with the General Accounting Office, in compliance with section 20 of title 41.”

1935—Act Aug. 26, 1935, §204, amended section generally, substituting “thirty days” for “ninety days” in third sentence and inserting last sentence.

EFFECTIVE DATE OF 1996 AMENDMENT

For effective date and applicability of amendment by Pub. L. 104-106, see section 4401 of Pub. L. 104-106, set out as a note under section 2302 of Title 10, Armed Forces.

§ 800. Issuance of preliminary permits or licenses

(a) Preference

In issuing preliminary permits hereunder or original licenses where no preliminary permit has been issued, the Commission shall give preference to applications therefor by States and municipalities, provided the plans for the same are deemed by the Commission equally well adapted, or shall within a reasonable time to be fixed by the Commission be made equally well adapted, to conserve and utilize in the public interest the water resources of the region; and as between other applicants, the Commission may give preference to the applicant the plans of which it finds and determines are best adapted to develop, conserve, and utilize in the public interest the water resources of the region, if it be satisfied as to the ability of the applicant to carry out such plans.

(b) Development of water resources by United States; reports

Whenever, in the judgment of the Commission, the development of any water resources for public purposes should be undertaken by the United
