

COMMISSION REVIEW

Pub. L. 99-495, §4(c), Oct. 16, 1986, 100 Stat. 1248, provided that: "In order to ensure that the provisions of Part I of the Federal Power Act [16 U.S.C. 791a et seq.], as amended by this Act, are fully, fairly, and efficiently implemented, that other governmental agencies identified in such Part I are able to carry out their responsibilities, and that the increased workload of the Federal Energy Regulatory Commission and other agencies is facilitated, the Commission shall, consistent with the provisions of section 309 of the Federal Power Act [16 U.S.C. 825h], review all provisions of that Act [16 U.S.C. 791a et seq.] requiring an action within a 30-day period and, as the Commission deems appropriate, amend its regulations to interpret such period as meaning 'working days', rather than 'calendar days' unless calendar days is specified in such Act for such action."

§ 825i. Appointment of officers and employees; compensation

The Commission is authorized to appoint and fix the compensation of such officers, attorneys, examiners, and experts as may be necessary for carrying out its functions under this chapter; and the Commission may, subject to civil-service laws, appoint such other officers and employees as are necessary for carrying out such functions and fix their salaries in accordance with chapter 51 and subchapter III of chapter 53 of title 5.

(June 10, 1920, ch. 285, pt. III, §310, as added Aug. 26, 1935, ch. 687, title II, §213, 49 Stat. 859; amended Oct. 28, 1949, ch. 782, title XI, §1106(a), 63 Stat. 972.)

CODIFICATION

Provisions that authorized the Commission to appoint and fix the compensation of such officers, attorneys, examiners, and experts as may be necessary for carrying out its functions under this chapter "without regard to the provisions of other laws applicable to the employment and compensation of officers and employees of the United States" have been omitted as obsolete and superseded.

Such appointments are subject to the civil service laws unless specifically excepted by those laws or by laws enacted subsequent to Executive Order No. 8743, Apr. 23, 1941, issued by the President pursuant to the Act of Nov. 26, 1940, ch. 919, title I, §1, 54 Stat. 1211, which covered most excepted positions into the classified (competitive) civil service. The Order is set out as a note under section 3301 of Title 5, Government Organization and Employees.

As to the compensation of such personnel, sections 1202 and 1204 of the Classification Act of 1949, 63 Stat. 972, 973, repealed the Classification Act of 1923 and all other laws or parts of laws inconsistent with the 1949 Act. The Classification Act of 1949 was repealed Pub. L. 89-554, Sept. 6, 1966, §8(a), 80 Stat. 632, and reenacted as chapter 51 and subchapter III of chapter 53 of Title 5. Section 5102 of Title 5 contains the applicability provisions of the 1949 Act, and section 5103 of Title 5 authorizes the Office of Personnel Management to determine the applicability to specific positions and employees.

"Chapter 51 and subchapter III of chapter 53 of title 5" substituted in text for "the Classification Act of 1949, as amended" on authority of Pub. L. 89-554, §7(b), Sept. 6, 1966, 80 Stat. 631, the first section of which enacted Title 5.

AMENDMENTS

1949—Act Oct. 28, 1949, substituted "Classification Act of 1949" for "Classification Act of 1923".

REPEALS

Act Oct. 28, 1949, ch. 782, cited as a credit to this section, was repealed (subject to a savings clause) by Pub. L. 89-554, Sept. 6, 1966, §8, 80 Stat. 632, 655.

§ 825j. Investigations relating to electric energy; reports to Congress

In order to secure information necessary or appropriate as a basis for recommending legislation, the Commission is authorized and directed to conduct investigations regarding the generation, transmission, distribution, and sale of electric energy, however produced, throughout the United States and its possessions, whether or not otherwise subject to the jurisdiction of the Commission, including the generation, transmission, distribution, and sale of electric energy by any agency, authority, or instrumentality of the United States, or of any State or municipality or other political subdivision of a State. It shall, so far as practicable, secure and keep current information regarding the ownership, operation, management, and control of all facilities for such generation, transmission, distribution, and sale; the capacity and output thereof and the relationship between the two; the cost of generation, transmission, and distribution; the rates, charges, and contracts in respect of the sale of electric energy and its service to residential, rural, commercial, and industrial consumers and other purchasers by private and public agencies; and the relation of any or all such facts to the development of navigation, industry, commerce, and the national defense. The Commission shall report to Congress the results of investigations made under authority of this section.

(June 10, 1920, ch. 285, pt. III, §311, as added Aug. 26, 1935, ch. 687, title II, §213, 49 Stat. 859.)

§ 825k. Publication and sale of reports

The Commission may provide for the publication of its reports and decisions in such form and manner as may be best adapted for public information and use, and is authorized to sell at reasonable prices copies of all maps, atlases, and reports as it may from time to time publish. Such reasonable prices may include the cost of compilation, composition, and reproduction. The Commission is also authorized to make such charges as it deems reasonable for special statistical services and other special or periodic services. The amounts collected under this section shall be deposited in the Treasury to the credit of miscellaneous receipts. All printing for the Federal Power Commission making use of engraving, lithography, and photolithography, together with the plates for the same, shall be contracted for and performed under the direction of the Commission, under such limitations and conditions as the Joint Committee on Printing may from time to time prescribe, and all other printing for the Commission shall be done by the Public Printer under such limitations and conditions as the Joint Committee on Printing may from time to time prescribe. The entire work may be done at, or ordered through, the Government Printing Office whenever, in the judgment of the Joint Committee on Printing, the same would be to the interest of the Government: *Provided*, That when the exigencies of the public service so require, the Joint Committee on Printing may authorize the Commission to make immediate contracts for engraving, lithography, and photolithography, without ad-
