§ 559g. Designation authority of Secretary of Agriculture

(a) Purpose

It is the purpose of this section to authorize the Secretary of Agriculture to make law enforcement operations more efficient in connection with the administration and use of the National Forest System.

(b) Officers of other agencies

The Secretary is authorized to designate law enforcement officers of any other Federal agency, when the Secretary determines such designation to be economical and in the public interest, and with the concurrence of that agency, to exercise the powers and authorities of the Forest Service while assisting the Forest Service in the National Forest System, or for activities administered by the Forest Service.

(c) Acceptance by Forest Service

The Forest Service is authorized to accept law enforcement designation from any other Federal agency or agency of a State or political subdivision thereof for the purpose of cooperating in the investigation and enforcement of any Federal or State law or ordinance and regulation of any such agency, when such investigation or enforcement is mutually beneficial to the National Forest System and the cooperating agency or jurisdiction, upon entering into a memorandum of understanding or cooperative agreement with such agency or jurisdiction.

(Pub. L. 99-570, title XV, § 15008, as added Pub. L. 100-690, title VI, § 6254(e), Nov. 18, 1988, 102 Stat. 4365.)

§ 560. Use of timber for telephone lines for fire protection

The Secretary of Agriculture, whenever he may deem it necessary for the protection of the national forests from fire, may permit the use of timber free of charge for the construction of telephone lines.

§ 562. Forest experiment station in California

In order to determine and demonstrate the best methods for the conservative management of forest and forest lands and the protection of timber and other forest products, the Secretary of Agriculture is authorized and directed (1) to establish and maintain, in cooperation with the State of California and with the surrounding States, a forest experiment station at such place or places as he may determine to be most suitable, and (2) to conduct, independently or in cooperation with other branches of the Federal Government, the States, universities, colleges, county and municipal agencies, business organizations, and individuals, such silvicultural, dendrological, forest fire, economic, and other experiments and investigations as may be necessary.

(Mar. 3, 1925, ch. 424, §1, 43 Stat. 1108.)

§ 562a. Forest experiment station in Ohio and Mississippi Valleys

The Secretary of Agriculture is authorized to establish and maintain a forest experiment station in the States of the Ohio Valley and central Mississippi Valley, at such a place or places as may be selected by him, and he is authorized and directed to conduct silvicultural, forest-fire, dendrological, and other experiments and investigations, independently or in cooperation with other branches of the Federal Government, and with States, universities, colleges, county and

municipal agencies, associations, and individuals, to determine the best methods for the growing, management, and protection of timber crops on forest lands and farm wood lots. Such annual appropriations as may thereafter be necessary for its maintenance and operation are hereby authorized.

(July 3, 1926, ch. 767, §§1, 2, 44 Stat. 838.)

CODIFICATION

A provision authorizing an appropriation of \$30,000 for fiscal year ending June 30, 1927, for establishment of the forest experiment station referred to in this section was omitted as executed.

§ 562b. Forest experiment station in Pennsylvania

In order to determine and demonstrate the best methods for the growing, management, and protection of timber crops on forest lands and farm wood lots, the Secretary of Agriculture is authorized and directed to establish and maintain a forest experiment station at such place or places as may be determined as most suitable by him, in cooperation with the State of Pennsylvania and with the neighboring States, and to conduct such silvicultural and other forest experiments and investigations as may be necessary, either independently or in cooperation with other organizations, institutions, or individuals, and to carry out the purposes of this section an appropriation in the amount of \$30,000 is authorized.

(July 3, 1926, ch. 770, 44 Stat. 840.)

§ 563. Cooperation with States for fire protection on private or State forest lands upon the watersheds of navigable rivers

The Secretary of Agriculture is authorized, and on such conditions as he deems wise, to stipulate and agree with any State or group of States to cooperate in the organization and maintenance of a system of fire protection on any private or State forest lands within such State or States and situated upon the watershed of a navigable river. No such stipulation or agreement shall be made with any State which has not provided by law for a system of forest-fire protection. In no case shall the amount expended in any State exceed in any fiscal year the amount appropriated by that State for the same purpose during the same fiscal year.
