

PRIOR PROVISIONS

A prior section 1213 of Pub. L. 99-198 was renumbered section 1214 and is classified to section 3813 of this title.

§ 3813. Soil surveys

The Secretary shall, as soon as is practicable after December 23, 1985, complete soil surveys on those private lands that do not have a soil survey suitable for use in determining the land capability class for purposes of this subchapter. In carrying out this section, the Secretary shall, insofar as possible, concentrate on those localities where significant amounts of highly erodible land are being converted to the production of agricultural commodities.

(Pub. L. 99-198, title XII, § 1214, formerly § 1213, Dec. 23, 1985, 99 Stat. 1507; renumbered § 1214, Pub. L. 104-127, title III, § 315(a)(1), Apr. 4, 1996, 110 Stat. 983.)

§ 3814. Notice and investigation of possible compliance deficiencies**(a) In general**

An employee of the Department of Agriculture who observes a possible compliance deficiency or other potential violation of a conservation plan or this subchapter while providing on-site technical assistance shall provide to the responsible persons, not later than 45 days after observing the possible violation, information regarding actions needed to comply with the plan and this subchapter. The employee shall provide the information in lieu of reporting the observation as a compliance violation.

(b) Corrective action

The responsible persons shall attempt to correct the deficiencies as soon as practicable after receiving the information.

(c) Review

If the corrective action is not fully implemented not later than 1 year after the responsible persons receive the information, the Secretary may conduct a review of the status of compliance of the persons with the conservation plan and this subchapter.

(Pub. L. 99-198, title XII, § 1215, as added Pub. L. 104-127, title III, § 316, Apr. 4, 1996, 110 Stat. 985.)

SUBCHAPTER III—WETLAND
CONSERVATION**§ 3821. Program ineligibility****(a) Production on converted wetland**

Except as provided in this subchapter and notwithstanding any other provision of law, any person who in any crop year produces an agricultural commodity on converted wetland, as determined by the Secretary, shall be—

(1) in violation of this section; and

(2) ineligible for loans or payments in an amount determined by the Secretary to be proportionate to the severity of the violation.

(b) Ineligibility for certain loans and payments

If a person is determined to have committed a violation under subsection (a) of this section during a crop year, the Secretary shall determine which of, and the amount of, the following

loans and payments for which the person shall be ineligible:

(1) Contract payments under a production flexibility contract, marketing assistance loans, and any type of price support or payment made available under the Agricultural Market Transition Act [7 U.S.C. 7201 et seq.], the Commodity Credit Corporation Charter Act (15 U.S.C. 714 et seq.), or any other Act.

(2) A loan made or guaranteed under the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.) or any other provision of law administered by the Consolidated Farm Service Agency, if the Secretary determines that the proceeds of the loan will be used for a purpose that will contribute to conversion of a wetland (other than as provided in this subchapter) to produce an agricultural commodity.

(3) During the crop year:

(A) A payment made pursuant to a contract entered into under the environmental quality incentives program under part IV of subchapter IV of this chapter.

(B) A payment under any other provision of subchapter IV of this chapter.

(C) A payment under section 2201 or 2202 of this title.

(D) A payment, loan, or other assistance under section 1003 or 1006a of this title.

(c) Wetland conversion

Except as provided in section 3822 of this title and notwithstanding any other provision of law, any person who in any crop year beginning after November 28, 1990, converts a wetland by draining, dredging, filling, leveling, or any other means for the purpose, or to have the effect, of making the production of an agricultural commodity possible on such converted wetland shall be ineligible for those payments, loans, or programs specified in subsection (b) of this section for that crop year and all subsequent crop years.

(d) Prior loans

This section shall not apply to a loan described in subsection (b) of this section made before December 23, 1985.

(e) Wetland

The Secretary shall have, and shall not delegate to any private person or entity, authority to determine whether a person has complied with this subchapter.

L. 104-127, enacting section 3823 of this title, amending this section and section 3822 of this title, and repealing former section 3823 of this title] and the amendments made by this subtitle shall become effective 90 days after the date of enactment of this Act [Apr. 4, 1996].”

§ 3822. Delineation of wetlands; exemptions

(a) Delineation by Secretary

(1) In general

Subject to subsection (b) of this section and paragraph (6), the Secretary shall delineate, determine, and certify all wetlands located on subject land on a farm.

(2) Wetland delineation maps

The Secretary shall delineate wetlands on wetland delineation maps. On the request of a person, the Secretary shall make a reasonable effort to make an on-site wetland determination prior to delineation.

(3) Certification

On providing notice to affected persons, the Secretary shall—

(A) certify whether a map is sufficient for the purpose of making a determination of ineligibility for program benefits under section 3821 of this title; and

(B) provide an opportunity to appeal the certification prior to the certification becoming final.

(4) Duration of certification

A final certification made under paragraph (3) shall remain valid and in effect as long as the area is devoted to an agricultural use or until such time as the person affected by the certification requests review of the certification by the Secretary.

(5) Review of mapping on appeal

In the case of an appeal of the Secretary's certification, the Secretary shall review and certify the accuracy of the mapping of all land subject to the appeal to ensure that the subject land has been accurately delineated. Prior to rendering a decision on the appeal, the Secretary shall conduct an on-site inspection of the subject land on a farm.

(6) Reliance on prior certified delineation

No person shall be adversely affected because of having taken an action based on a previous certified wetland delineation by the Secretary. The delineation shall not be subject to a subsequent wetland certification or delineation by the Secretary, unless requested by the person under paragraph (4).

(b) Exemptions

No person shall become ineligible under section 3821 of this title for program loans or payments under the following circumstances:

(1) As the result of the production of an agricultural commodity on the following lands:

(A) A converted wetland if the conversion of the wetland was commenced before December 23, 1985.

(B) Land that is a nontidal drainage or irrigation ditch excavated in upland.

(C) A wet area created by a water delivery system, irrigation, irrigation system, or application of water for irrigation.

(D) A wetland on which the owner or operator of a farm or ranch uses normal cropping or ranching practices to produce an agricultural commodity in a manner that is consistent for the area where the production is possible as a result of a natural condition, such as drought, and is without action by the producer that destroys a natural wetland characteristic.

(E) Land that is an artificial lake or pond created by excavating or diking land (that is not a wetland) to collect and retain water and that is used primarily for livestock watering, fish production, irrigation, wildlife, fire control, flood control, cranberry growing, or rice production, or as a settling pond.

(F) A wetland that is temporarily or incidentally created as a result of adjacent development activity.

(G) A converted wetland if the original conversion of the wetland was commenced before December 23, 1985, and the Secretary determines the wetland characteristics returned after that date as a result of—
