

(G) such other criteria as the Secretary may prescribe.

(3) The Federal share of the cost of any project conducted under this chapter shall not exceed 75 percent of the total estimated cost of the project, unless—

(A) the State has adopted an interstate fishery management plan for the resource to which the project applies; or

(B) the State has adopted fishery regulations which the Secretary has determined are consistent with any Federal fishery management plan for the species to which the project applies;

in which case the Federal share shall not exceed 90 percent of the total estimated cost of the project.

(4)(A) If the Secretary approves or disapproves a proposal for a project, the Secretary shall promptly give written notification, including, if disapproved, a detailed explanation of the reasons for the disapproval, to the State agency submitting the proposal or, if the proposal is submitted through an interstate commission, such commission and the State.

(B) For the purposes of this chapter, funds apportioned under this section to any State shall be treated as having been obligated with respect to a project during the fiscal year in which the written notification of approval required under subparagraph (A) for the project proposal is made.

(b) Restriction

The expenditure of funds under this chapter shall be applied only to projects for which a proposal has been approved under subsection (a) of this section, except that up to \$25,000 each fiscal year may be obligated for a State to carry out an agreement with the Secretary or the Secretary of the Interior under which the personnel, services and equipment of the State and the Federal agency concerned will be made mutually available for the enforcement of Federal and State laws pertaining to the protection of fishery resources. If otherwise applied, such funds shall be replaced by the State before the State may receive any additional funds under this chapter.

(c) Payment

When the Secretary determines that a project carried out under a proposal approved by the Secretary has been completed, or where the Secretary otherwise deems it appropriate, the Secretary shall cause to be paid to the proper authority of the State, or to the official or depository designated by the interstate commission if the State agency specifies that payment is to be made to the interstate commission, the Federal share of the project. Any payment made to an interstate commission shall be charged against the apportionment of the State concerned.

§ 4105. Property

(a) Application of Federal and State laws

All work, including the furnishing of labor and materials, needed to complete any project approved by the Secretary shall be performed in accordance with applicable Federal and State laws under the direct supervision of the State agency, and in accordance with regulations as the Secretary may prescribe.

(b) Title

Title to all property, real and personal, acquired for the purposes of completing any project approved by the Secretary vests in the State.

(c) Disposal

If a State disposes of any real or personal property acquired under this chapter, the State shall pay into the Treasury of the United States the amount of any proceeds resulting from the property disposed to the extent of and in the same ratio that funds provided under this chapter were used in the acquisition of the property. In no case shall the amount paid into the Treasury of the United States under this section exceed the amount of funds provided by this chapter for the acquisition of the property involved.

§ 4106. Reports to Congress

After consultation with the States receiving funds under this chapter and with any interstate commission involved in carrying out a project under this chapter, the Secretary shall submit to the Committee on Merchant Marine and Fisheries of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate not later than 90 days after the end of the fiscal year 1988, and each second fiscal year occurring after that fiscal year, a report which contains—

(1) a description of each project and law enforcement effort receiving funds under this chapter during the last 2 fiscal years ending before such report is submitted;

(2) a specification of the total amount of funds from the Federal Government and the total amount of funds from each State spent on each project and a law enforcement effort receiving funds under this chapter during the last 2 fiscal years ending before such report is submitted;

(3) an assessment of each project and law enforcement effort receiving funds under this chapter during the last 2 fiscal years ending before such report is submitted to determine whether such project is furthering the purposes of this chapter; and
