

(d) Categorical exclusion**(1) In general**

Applied silvicultural assessment and research treatments carried out under this section on not more than 1,000 acres for an assessment or treatment may be categorically excluded from documentation in an environmental impact statement and environmental assessment under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

(2) Administration

Applied silvicultural assessments and research treatments categorically excluded under paragraph (1)—

(A) shall not be carried out in an area that is adjacent to another area that is categorically excluded under paragraph (1) that is being treated with similar methods; and

(B) shall be subject to the extraordinary circumstances procedures established by the Secretary pursuant to section 1508.4 of title 40, Code of Federal Regulations.

(3) Maximum categorical exclusion

The total number of acres categorically excluded under paragraph (1) shall not exceed 250,000 acres.

(4) No additional findings required

In accordance with paragraph (1), the Secretary shall not be required to make any findings as to whether an applied silvicultural assessment project, either individually or cumulatively, has a significant effect on the environment.

§ 6572. Eligibility and enrollment of lands in program**(a) In general**

The Secretary of Agriculture, in coordination with the Secretary of the Interior and the Secretary of Commerce, shall describe and define forest ecosystems that are eligible for enrollment in the healthy forests reserve program.

(b) Eligibility

To be eligible for enrollment in the healthy forests reserve program, land shall be—

- (1) private land the enrollment of which will restore, enhance, or otherwise measurably increase the likelihood of recovery of a species listed as endangered or threatened under section 1533 of this title; and
- (2) private land the enrollment of which will restore, enhance, or otherwise measurably improve the well-being of species that—

- (A) are not listed as endangered or threatened under section 1533 of this title; but
- (B) are candidates for such listing, State-listed species, or special concern species.

(c) Other considerations

In enrolling land that satisfies the criteria under subsection (b), the Secretary of Agriculture shall give additional consideration to land the enrollment of which will—

- (1) improve biological diversity; and
- (2) increase carbon sequestration.

(d) Enrollment by willing owners

The Secretary of Agriculture shall enroll land in the healthy forests reserve program only with the consent of the owner of the land.

(e) Methods of enrollment**(1) Authorized methods**

Land may be enrolled in the healthy forests reserve program in accordance with—

- (A) a 10-year cost-share agreement;
- (B) a 30-year easement; or
- (C)(i) a permanent easement; or

- (ii) in a State that imposes a maximum duration for easements, an easement for the maximum duration allowed under State law.

(2) Limitation on use of cost-share agreements and easements**(A) In general**

Of the total amount of funds expended under the program for a fiscal year to acquire easements and enter into cost-share agreements described in paragraph (1)—
