§ 3909. Sense of Congress

(a) Ongoing process

It is the sense of the Congress that the Kimberley Process Certification Scheme, officially

launched on January 1, 2003, is an ongoing process. The President should work with Participants to strengthen the Kimberley Process Certification Scheme through the adoption of measures for the sharing of statistics on the production of and trade in rough diamonds, and for monitoring the effectiveness of the Kimberley Process Certification Scheme in stemming trade in diamonds the importation or exportation of which is not controlled through the Kimberley Process Certification Scheme.

(b) Statistics and reporting

It is the sense of the Congress that under Annex III to the Kimberley Process Certification Scheme, Participants recognized that reliable and comparable data on the international trade in rough diamonds are an essential tool for the effective implementation of the Kimberley Process Certification Scheme. Therefore, the executive branch should continue to—

- (1) keep and publish statistics on imports and exports of rough diamonds under subheadings 7102.10.00, 7102.21, and 7102.31.00 of the Harmonized Tariff Schedule of the United States;
- (2) make these statistics available for analysis by interested parties and by Participants; and
- (3) take a leadership role in negotiating a standardized methodology among Participants for reporting statistics on imports and exports of rough diamonds.

(3) identifying each country that, during the preceding 12-month period, exported rough diamonds to the United States and was exporting rough diamonds not controlled through the Kimberley Process Certification Scheme, if the failure to do so has significantly increased the likelihood that those diamonds not so controlled are being imported into the United States; and

(b) Semiannual reports

For each country identified in subsection (a)(3), the President, during such period as this chapter is in effect, shall, every 6 months after the initial report in which the country was identified, transmit to the Congress a report that explains what actions have been taken by the United States or such country since the previous report to ensure that diamonds the exportation of which was not controlled through the Kimberley Process Certification Scheme are not being imported from that country into the United States. The requirement to issue a semiannual report with respect to a country under this subsection shall remain in effect until such time as the country is controlling the importation and exportation of rough diamonds through the Kimberley Process Certification Scheme.
