

“Board”). The Board shall consist of 15 members appointed by the Secretary for overlapping 3-year terms. A majority of the Board shall constitute a quorum. Any member of the Board who has served for 6 consecutive years shall thereafter be ineligible for appointment to the Board during a 2-year period following the expiration of such sixth year.

**(b) Membership**

The Secretary shall designate one of the members of the Board as Chairperson of the Board. A majority of the members of the Board shall be public interest representatives, including students, and a minority shall be educational representatives. All members selected shall be individuals able to contribute an important perspective on priorities for improvement in postsecondary education and strategies of educational and institutional change.

**(c) Duties**

The Board shall—

(1) advise the Secretary on priorities for the improvement of postsecondary education and make such recommendations as the Board may deem appropriate for the improvement of postsecondary education and for the evaluation, dissemination, and adaptation of demonstrated improvements in postsecondary educational practice;

(2) advise the Secretary on the operation of the Fund for the Improvement of Postsecondary Education, including advice on planning documents, guidelines, and procedures for grant competitions prepared by the Fund; and

(3) meet at the call of the Chairperson, except that the Board shall meet whenever one-third or more of the members request in writing that a meeting be held.

**(d) Information and assistance**

The Secretary shall make available to the Board such information and assistance as may be necessary to enable the Board to carry out its functions.

AMENDMENTS

2008—Pub. L. 110-315 struck out subsec. (a) designation and heading before “The Secretary may appoint,” and struck out subsec. (b). Prior to amendment, text of subsec. (b) read as follows: “The Director shall establish procedures for reviewing and evaluating grants and contracts made or entered into under this part. Procedures for reviewing grant applications or contracts for financial assistance under this section may not be subject to any review outside of officials responsible for the administration of the Fund for the Improvement of Postsecondary Education.”

**§ 1138c. Special projects**

**(a) Grant authority**

The Secretary is authorized to make grants to institutions of higher education, or consortia thereof, and such other public agencies and nonprofit organizations as the Secretary deems necessary for innovative projects concerning one or more areas of particular national need identified by the Secretary.

**(b) Application**

No grant shall be made under this part unless an application is made at such time, in such manner, and contains or is accompanied by such information as the Secretary may require.

**(c) Areas of national need**

Areas of national need shall include, at a minimum, the following:

(1) Institutional restructuring to improve learning and promote productivity, efficiency, quality improvement, and cost reduction.

(2) Improvements in academic instruction and student learning, including efforts designed to assess the learning gains made by postsecondary students.

(3) Articulation between two- and four-year institutions of higher education, including developing innovative methods for ensuring the successful transfer of students from two- to four-year institutions of higher education.

(4) Development, evaluation, and dissemination of model courses, including model courses that—

(A) provide students with a broad and integrated knowledge base;

(B) include, at a minimum, broad survey courses in English literature, American and world history, American political institutions, economics, philosophy, college-level mathematics, and the natural sciences; and

(C) include study of a foreign language that leads to reading and writing competency in the foreign language.

(5) International cooperation and student exchanges among postsecondary educational institutions.

(6) Support of centers to incorporate education in quality and safety into the preparation of medical and nursing students, through grants to medical schools, nursing schools, and osteopathic schools. Such grants shall be used to assist in providing courses of instruction that specifically equip students to—

(A) understand the causes of, and remedies for, medical error, medically induced patient injuries and complications, and other defects in medical care;

(B) engage effectively in personal and systemic efforts to continually reduce medical harm; and

(C) improve patient care and outcomes, as recommended by the Institute of Medicine of the National Academies.
