

cantly affect, as determined by the Project Team in consultation with the Board, the scope, cost, schedule, or engineering feasibility of any element of the Project, other than buildings to be constructed on the Plaza, shall be subject to the approval of the Project Team.

(d) Responsibilities of the District of Columbia

(1) Modification of highway system

Notwithstanding any State or local law, the Mayor of the District of Columbia, in consultation with the National Capital Planning Commission and the Secretary, shall have exclusive authority to amend or modify the permanent system of highways of the District of Columbia as may be necessary to meet the requirements and needs of the Project.

(2) Conveyances

(A) Authority

Notwithstanding any State or local law, the Mayor of the District of Columbia shall have exclusive authority to convey or dispose of any interests in real estate (including air rights or air space as that term is defined by District of Columbia law) owned or controlled by the District of Columbia, as may be necessary to meet the requirements and needs of the Project.

(B) Conveyance to the Board

Not later than 90 days following the date of receipt of notification from the Secretary of the requirements and needs of the Project, the Mayor of the District of Columbia shall convey or dispose of to the Board without compensation interests in real estate described in subparagraph (A).

(3) Agreements with the Board

The Mayor of the District of Columbia shall have the authority to enter into memoranda of agreement with the Board and any Federal or other governmental agency to facilitate the planning, design, engineering, and construction of the Project.

(e) Ownership

(1) Roadways and sidewalks

Upon completion of the Project, responsibility for maintenance and oversight of roadways and sidewalks modified or improved for the Project shall remain with the owner of the affected roadways and sidewalks.

(2) Maintenance of green spaces

Subject to paragraph (3), upon completion of the Project, responsibility for maintenance and oversight of any green spaces modified or improved for the Project shall remain with the owner of the affected green spaces.

(3) Buildings and green spaces on the Plaza

Upon completion of the Project, the Board shall own, operate, and maintain the buildings and green spaces established on the Plaza for the Project.

(f) National highway boundaries

(1) Realignment of boundaries

The Secretary may realign national highways related to proposed changes to the

Northern and Southern Interchanges and the E Street Approach recommended in the TEA-21 report in order to facilitate the flow of traffic in the vicinity of the Center.

(2) Access to Center from I-66

The Secretary may improve direct access and egress between Interstate Route 66 and the Center, including its garages.

(g) GAO review

Until completion of the Project, the Comptroller General shall review the management and oversight of construction of the Project by the Board and report periodically on the results of the review to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate.
