

(2) provide assurances that not more than 5 per centum of the amount received by the applicant in any fiscal year may be expended on administrative expenses;

(3) with respect to each program for which assistance is sought, provide assurances that—

(A) 30 per centum of the funds for each such project will be furnished by business concerns within the community;

(B) 20 per centum of the funds will be supplied by—

- (i) the State,
- (ii) the institution of higher education or the local educational agency, as the case may be, participating in the program; and
- (iii) the other parties participating in the program;

(C) no stipend will be paid directly to employees of a profitmaking business concern; and

(D) teachers participating in the exchange program may not be employed by the participating business concern with which the teacher served within three years after the end of the exchange program unless the teacher repays the full cost of the exchange program to the State and local educational agency, as the case may be; and

(4) provide assurances that whenever the program for which assistance is sought includes scholarships, the scholarships be awarded to undergraduate students at institutions of higher education within the State who wish to pursue a course of study in mathematics or science, engineering or computer science, and that each student awarded a scholarship under this part will receive a stipend which shall not exceed the cost of tuition at the institution of higher education plus a stipend of not to exceed \$750 for each academic year of study for which the scholarship is awarded;

(5) set forth policies and procedures to assure that whenever the application includes a local educational agency, to the extent consistent with the number and location of children in the school district of such agency who are enrolled in private elementary and secondary schools, provision is made for the participation of such children in the program assisted under this part;

(6) provide assurances that consideration is given to programs and activities designed to meet the needs of underrepresented and underserved populations;

(7) provide assurances that in the consideration of applications submitted under section 3986(a) of this title that equitable consideration is given to applications submitted by private and public institutions of higher education; and

(8) provide such additional assurances as the Secretary determines essential to ensure compliance with the requirements of this part.

(b) Regional joint application

A regional consortium of applicants in two or more States may file a joint application under the provisions of subsection (a) of this section.

PART B—ELEMENTARY AND SECONDARY
EDUCATION PARTNERSHIPS**§ 3991. Purpose**

It is the purpose of this part to supplement State and local resources to—

(1) improve the quality of instruction in the fields of mathematics and science in elementary and secondary schools;

(2) furnish additional resources and support for the acquisition of equipment, and instructional and reference materials and improvement of laboratory facilities in elementary and secondary schools; and

(3) encourage partnerships in science and mathematics education between the business community, museums, libraries, professional mathematics and scientific associations, private nonprofit organizations, appropriate State agencies and elementary and secondary schools.

(Pub. L. 98-377, title III, §321, as added Pub. L. 100-418, title VI, §6031(a)(2), Aug. 23, 1988, 102 Stat. 1479.)

CLUBS FOR BOYS AND GIRLS INTERESTED IN SCIENCE;
AUTHORIZATION OF APPROPRIATIONS; PURPOSES; PERSONNEL AND FACILITIES

Pub. L. 85-875, Sept. 2, 1958, 72 Stat. 1700, provided: “That in order to strengthen future scientific accomplishment in our Nation by assisting in the development of a body of boys and girls with a special interest in science, there is hereby authorized to be appropriated for the fiscal year ending June 30, 1959, and for each fiscal year thereafter, such sums, not in excess of \$50,000, as may be necessary to enable the Commissioner of Education [now Secretary of Education] to encourage, foster, and assist in the establishment in localities throughout the Nation of clubs which are composed of boys and girls who have an especial interest in science.

“SEC. 2. (a) The Commissioner of Education [now Secretary of Education] shall carry out his duties under the first section with a view to the ultimate chartering by the Congress of a Corporation, similar to the Future Farmers of America, which will seek to—

“(1) develop an interest in science on the part of the young people of America,

“(2) provide an opportunity for the exchange of scientific information and ideas among members of the clubs,

“(3) encourage the promotion of science fairs at which members of the clubs may display their scientific works and projects, and

“(4) develop an awareness of the satisfactions to be derived through a career devoted to science.

“(b) The Commissioner of Education [now Secretary of Education] may utilize any of the personnel and facilities of the Office of Education [now Department of Education] in carrying out this Act.”

§ 3992. Programs authorized**(a) Grants**

The Secretary may make grants to States to pay the Federal share of the cost of the programs described in section 3994 of this title.

(b) Authorization of appropriations

There are authorized to be appropriated for purposes of carrying out this part¹ \$20,000,000 for fiscal year 1988.

(Pub. L. 98-377, title III, §322, as added Pub. L. 100-418, title VI, §6031(a)(2), Aug. 23, 1988, 102 Stat. 1480.)

REFERENCES IN TEXT

This part, referred to in subsec. (b), was in the original “this chapter” and was translated as reading “this part” to reflect the probable intent of Congress because title III of Pub. L. 98-377, which comprises this subchapter, does not contain chapters.

§ 3993. Amendment to State application**(a) Application**

A State shall be eligible to receive a grant under this part if—

(1) the State submits to the Secretary as part of its application under section 209¹ such information and assurances as the Secretary may require at such time as the Secretary shall establish; and

(2) the Secretary approves such application.

(b) Application requirements

The Secretary shall require each application to include—

(1) a description of the State’s procedures relating to the use of funds from grants received under this part, including the approval process for local applications;

(2) an assurance that not more than 1 per cent of the amount received shall be used for administrative expenses; and

(3) an assurance that the State will, to the extent possible, assist local school districts in economically depressed areas to obtain matching funds from business concerns.
