AMENDMENTS

2003—Subsec. (b). Pub. L. 108-7, §126(1), added heading and text of subsec. (b) and struck out former subsec. (b) which read as follows: “It shall be the duty of the Secretary of the Treasury to invest in full the amounts appropriated and contributed to the fund. Such investments may be made only in interest-bearing obligations of the United States or in obligations guaranteed as to both principal and interest by the United States. For such purpose, such obligations may be acquired (1) on original issue at the issue price, or (2) by purchase of outstanding obligations at the market price. The purposes for which obligations of the United States may be issued under the Second Liberty Bond Act, as amended, are hereby extended to authorize the issuance at par of special obligations exclusively to the fund. Such special obligations shall bear interest at a rate equal to the average rate of interest, computed as to the end of the calendar month next preceding the date of such issue, borne by all marketable interest-bearing obligations of the United States then forming a part of the public debt; except that where such average rate is not a multiple of one-eighth of 1 per centum, the rate of interest of such special obligations shall be the multiple of one-eighth of 1 per centum next lower than such average rate. Such special obligations shall be issued only if the Secretary determines that the purchase of other obligations of the United States, or of obligations guaranteed as to both principal and interest by the United States or original issue at the market price, is not in the public interest.”
