PRIOR PROVISIONS

A prior section 6513, Pub. L. 89-10, title I, §1603, as added Pub. L. 103-382, title I, §101, Oct. 20, 1994, 108 Stat. 3611, related to State administration, prior to the general amendment of this subchapter by Pub. L. 107-110. See section 6573 of this title.

§ 6514. State use of funds

(a) In general

Except as provided in subsection (e) of this section, a State educational agency that receives a grant under this part shall use the grant funds to award subgrants, on a competitive basis, to local educational agencies or consortia of local educational agencies in the State that receive funds under part A of this subchapter, to support comprehensive school reforms in schools that are eligible for funds under part A of this subchapter.

(b) Subgrant requirements

A subgrant to a local educational agency or consortium shall be—

(1) of sufficient size and scope to support the initial costs of comprehensive school reforms selected or designed by each school identified in the application of the local educational agency or consortium;

(2) in an amount not less than \$50,000—

(A) for each participating school; or
(B) for each participating consortium of small schools (which for purposes of this subparagraph means a consortium of small schools serving a total of not more than 500 students); and

(3) renewable for two additional 1-year subgrant periods after the initial 1-year subgrant is made if the school is or the schools are making substantial progress in the implementation of reforms.

(c) Priority

A State educational agency, in awarding subgrants under this part, shall give priority to local educational agencies or consortia that—

(1) plan to use the funds in schools identified as being in need of improvement or corrective action under section 6316(c) of this title; and

(2) demonstrate a commitment to assist schools with budget allocation, professional development, and other strategies necessary to ensure the comprehensive school reforms are properly implemented and are sustained in the future.

(d) Grant consideration

In awarding subgrants under this part, the State educational agency shall take into consideration the equitable distribution of subgrants to different geographic regions within the State, including urban and rural areas, and to schools serving elementary and secondary students.

(e) Administrative costs

A State educational agency that receives a grant under this part may reserve not more than

5 percent of the grant funds for administrative, evaluation, and technical assistance expenses.

(f) Supplement

Funds made available under this part shall be used to supplement, and not supplant, any other Federal, State, or local funds that would otherwise be available to carry out the activities assisted under this part.

(g) Reporting

Each State educational agency that receives a grant under this part shall provide to the Secretary such information as the Secretary may require, including the names of local educational agencies and schools receiving assistance under this part, the amount of the assistance, a description of the comprehensive school reforms selected and used, and a copy of the State's annual evaluation of the implementation of comprehensive school reforms supported under this part and the student achievement results.

PRIOR PROVISIONS

A prior section 6514, Pub. L. 89-10, title I, §1604, as added Pub. L. 103-382, title I, §101, Oct. 20, 1994, 108 Stat. 3612, related to construction of provisions, prior to the general amendment of this subchapter by Pub. L. 107-110. See section 6576 of this title.

§ 6515. Local applications

(a) In general

Each local educational agency or consortium of local educational agencies desiring a subgrant under this part shall submit an application to the State educational agency at such time, in such manner, and containing such information as the State educational agency may reasonably require.

(b) Contents

Each such application shall—

(1) identify the schools that are eligible for assistance under part A of this subchapter and plan to implement a comprehensive school reform program, including the projected costs of such a program;

(2) describe the comprehensive school reforms based on scientifically based research and effective practices that such schools will implement;

(3) describe how the local educational agency or consortium will provide technical assistance and support for the effective implementation of the comprehensive school reforms based on scientifically based research and effective practices selected by such schools; and

(4) describe how the local educational agency or consortium will evaluate the implementation of such comprehensive school reforms and measure the results achieved in improving student academic achievement.
