CODIFICATION

Section was enacted as part of the Foreign Relations Authorization Act, Fiscal Year 1978, and not as part of the Foreign Assistance Act of 1961 which comprises this chapter.

AMENDMENTS

1994—Subsec. (b)(2). Pub. L. 103-236 struck out par. (2) which read as follows: “Not later than February 15, 1978, and not later than February 15 of each year thereafter until any such withdrawal is completed, the President shall transmit a report in writing to the Speaker of the House of Representatives and the Committees on Foreign Relations, Armed Services, and Intelligence of the Senate assessing the implementation of the foregoing policy.”

**§ 2428b. Special security assistance for modernization of Armed Forces of Korea**

(a) **Transfer authority of President of defense articles and services located in Korea; applicable terms and conditions; reimbursement**

(1) The President is authorized until December 31, 1982—

(A) to transfer, without reimbursement, to the Republic of Korea, only in conjunction with the withdrawal of the 2d Infantry Division and support forces from Korea, such United States Government-owned defense arti-

cles as he may determine which are located in Korea in the custody of units of the United States Army scheduled to depart from Korea; and

(B) to furnish to the Republic of Korea, without reimbursement, defense services (including technical and operational training) in Korea directly related to the United States Government-owned defense articles transferred to the Republic of Korea under this subsection.

(2) Any transfer under the authority of this section shall be made in accordance with all the terms and conditions of the Foreign Assistance Act of 1961 [22 U.S.C. 2151 et seq.] applicable to the furnishing of defense articles and defense services under chapter 2 of part II of that Act [22 U.S.C. 2311 et seq.], except that no funds heretofore or hereafter appropriated under that Act shall be available to reimburse any agency of the United States Government for any such transfer or related services.

(b) **Additional transfer authority of President of defense articles located outside of Korea; prerequisites for determinations respecting transfers; report by President to Congress of determinations**

In order that transfers of defense articles under subsection (a) of this section will not cause significant adverse impact on the readiness of the Armed Forces of the United States, the President is authorized, in lieu of such transfers, to transfer additional defense articles from the stocks of the Department of Defense, wherever located, to the Republic of Korea to compensate for the military capability of defense articles withdrawn from Korea in any case where he determines that—

(1) the transfer of specific defense articles located in Korea would have a significant adverse impact on the readiness of the United States Armed Forces;

(2) the defense capability provided by those defense articles is needed by the Armed Forces of the Republic of Korea in order to maintain the military balance on the Korean peninsula; and

(3) a comparable defense capability could be provided by less advanced defense articles in the stocks of the Department of Defense which could be transferred without significant adverse impact on the readiness of the United States Armed Forces.

The President shall report to the Congress each determination made under this subsection prior to the transfer of the defense articles described in such determination.

(c) **Report by President to Congress of types, etc., of transferred defense articles**
