§ 2695. Administrative services

(a) Agreements

Whenever the head of any Federal agency performing any foreign affairs functions (including, but not limited to, the Department of State, the Broadcasting Board of Governors, and the Agency for International Development) determines that administrative services performed in common by the Department of State and one or more other such agencies may be performed more advantageously and more economically on a consolidated basis, the Secretary of State and the heads of the other agencies concerned may, subject to the approval of the Director of the Office of Management and Budget, conclude an agreement which provides for the transfer to and consolidation within the Department or within one of the other agencies concerned of so much of the functions, personnel, property, records, and funds of the Department and of the other agencies concerned as may be necessary to enable the performance of those administrative services on a consolidated basis for the benefit of all agencies concerned. Agreements for consolidation of administrative services under this section shall provide for reimbursement or advances of funds from the agency receiving the service to the agency performing the service in amounts which will approximate the expense of providing administrative services for the serviced agency.

(b) Payment

(1) A Federal agency which obtains administrative services from the Department of State pursuant to an agreement authorized under subsection (a) of this section shall make full and prompt payment for such services through advance of funds or reimbursement.

(2) The Secretary of State shall bill each Federal agency for amounts due for services provided pursuant to subsection (a) of this section. The Secretary shall notify a Federal agency which has not made full payment for services within 90 days after billing that services to the agency will be suspended or terminated if full payment is not made within 180 days after the date of notification. Except as provided under paragraph (3), the Secretary shall suspend or terminate services to a Federal agency which has not made full payment for services under this section 180 days after the date of notification. Any costs associated with a suspension or termination of services shall be the responsibility of, and shall be billed to, the Federal agency.

(3) The Secretary of State may waive the requirement for suspension or termination under paragraph (2) with respect to such services as the Secretary determines are necessary to ensure the protection of life and the safety of United States Government property. A waiver may be issued for a period not to exceed one year and may be renewed.

A, title I, § 101(a) [title IV], Sept. 30, 1996, 110 Stat. 3009, 3009-46, which provided that in fiscal year 1998 a system was to be in place that allocated to each department and agency full cost of its presence outside of the United States, was from the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act, 1997, and was not repeated in subsequent appropriation acts. Similar provisions were contained in the following prior appropriation act:

Pub. L. 104-134, title I, § 101[(a)] [title IV], Apr. 26, 1996, 110 Stat. 1321, 1321-36; renumbered title I, Pub. L. 104-140, § 1(a), May 2, 1996, 110 Stat. 1327.

§ 2696. Nondiscretionary personnel costs, currency fluctuations, and other contingencies

(a) Additional appropriations

There are authorized to be appropriated for the Department of State, in addition to amounts otherwise authorized to be appropriated for the Department, such sums as may be necessary for any fiscal year for increases in salary, pay, retirement, and other employee benefits authorized by law.

(b) Appropriations authorization based on currency fluctuations

(1) In order to maintain the levels of program activity for the Department of State provided for each fiscal year by the annual authorizing legislation, there are authorized to be appropriated for the Department of State such sums as may be necessary to offset adverse fluctuations in foreign currency exchange rates, or overseas wage and price changes, which occur after November 30 of the earlier of—

(A) the calendar year which ended during the fiscal year preceding such fiscal year, or

(B) the calendar year which preceded the calendar year during which the authorization of appropriations for such fiscal year was enacted.

(2) In carrying out this subsection, there may be established a Buying Power Maintenance account.

(3) In order to eliminate substantial gains to the approved levels of overseas operations for the Department of State, the Secretary of State shall transfer to the Buying Power Maintenance account such amounts in any appropriation account under the heading “Administration of Foreign Affairs” as the Secretary determines are excessive to the needs of the approved level of operations under that appropriation account because of fluctuations in foreign currency exchange rates or changes in overseas wages and prices.

(4) In order to offset adverse fluctuations in foreign currency exchange rates or overseas wage and price changes, the Secretary of State

may transfer from the Buying Power Maintenance account to any appropriation account under the heading “Administration of Foreign Affairs” such amounts as the Secretary determines are necessary to maintain the approved level of operations under that appropriation account.

(5) Funds transferred by the Secretary of State from the Buying Power Maintenance account to another account shall be merged with and be available for the same purpose, and for the same time period, as the funds in that other account. Funds transferred by the Secretary from another account to the Buying Power Maintenance account shall be merged with the funds in the Buying Power Maintenance account and shall be available for the purposes of that account until expended.

(6) Any restriction contained in an appropriation Act or other provision of law limiting the amounts available for the Department of State that may be obligated or expended shall be deemed to be adjusted to the extent necessary to offset the net effect of fluctuations in foreign currency exchange rates or overseas wage and price changes in order to maintain approved levels.

(7)(A) Subject to the limitations contained in this paragraph, not later than the end of the fifth fiscal year after the fiscal year for which funds are appropriated or otherwise made available for an account under “Administration of Foreign Affairs”, the Secretary of State may transfer any unobligated balance of such funds to the Buying Power Maintenance account.

(B) The balance of the Buying Power Maintenance account may not exceed \$100,000,000 as a result of any transfer under this paragraph.

(C) Any transfer pursuant to this paragraph shall be treated as a reprogramming of funds under section 2706 of this title and shall be available for obligation or expenditure only in accordance with the procedures under such section.

(D) The authorities contained in this paragraph may be exercised only with respect to funds appropriated or otherwise made available after fiscal year 2008.

(c) Availability of appropriations until expended

Amounts authorized to be appropriated for a fiscal year for the Department of State or to the Secretary of State are authorized to be made available until expended.

(d) Accounts subject to percentage limitation

(1) Subject to paragraphs (2) and (3), funds authorized to be appropriated for any account of the Department of State in the Department of State Appropriations Act, for either fiscal year of any two-year authorization cycle may be appropriated for such fiscal year for any other account of the Department of State.

(2) Amounts appropriated for the “Diplomatic and Consular Programs” account may not exceed by more than 5 percent the amount specifically authorized to be appropriated for such account for a fiscal year. No other appropriations account may exceed by more than 10 percent the amount specifically authorized to be appropriated for such account for a fiscal year.
