§ 7603. Purpose

The purpose of this chapter is to strengthen and enhance United States leadership and the effectiveness of the United States response to the HIV/AIDS, tuberculosis, and malaria pandemics and other related and preventable infectious diseases as part of the overall United States health and development agenda by—

- (1) establishing comprehensive, coordinated, and integrated 5-year, global strategies to combat HIV/AIDS, tuberculosis, and malaria by—
 - (A) building on progress and successes to date;
 - (B) improving harmonization of United States efforts with national strategies of partner governments and other public and private entities; and
 - (C) emphasizing capacity building initiatives in order to promote a transition toward greater sustainability through the support of country-driven efforts;
- (2) providing increased resources for bilateral and multilateral efforts to fight HIV/AIDS, tuberculosis, and malaria as integrated

components of United States development assistance;

(3) intensifying efforts to—

- (A) prevent HIV infection;
- (B) ensure the continued support for, and expanded access to, treatment and care programs;

(C) enhance the effectiveness of prevention, treatment, and care programs; and

(D) address the particular vulnerabilities of girls and women;

(4) encouraging the expansion of private sector efforts and expanding public-private sector partnerships to combat HIV/AIDS, tuberculosis, and malaria;

(5) reinforcing efforts to—

(A) develop safe and effective vaccines, microbicides, and other prevention and treatment technologies; and

(B) improve diagnostics capabilities for HIV/AIDS, tuberculosis, and malaria; and

(6) helping partner countries to—

(A) strengthen health systems;

(B) expand health workforce; and

(C) address infrastructural weaknesses.

AMENDMENTS

2008—Pub. L. 110–293 amended section generally. Prior to amendment, section stated the purpose of this chapter.

§ 7604. Authority to consolidate and combine reports

With respect to the reports required by this chapter to be submitted by the President, to ensure an efficient use of resources, the President may, in his discretion and notwithstanding any other provision of this chapter, consolidate or combine any of these reports, except for the report required by section 7611 of this title, so long as the required elements of each report are addressed and reported within a 90-day period from the original deadline date for submission of the report specified in this chapter. The President may also enter into contracts with organizations with relevant expertise to develop, originate, or contribute to any of the reports required by this chapter to be submitted by the President, with the exception of the 5-year strategy.
