§8101. Findings

Congress makes the following findings:

- (1) The proliferation of nuclear weapons and other nuclear explosive devices poses a grave threat to the national security of the United States and its vital national interests.
- (2) The Nuclear Non-Proliferation Treaty has proven critical to limiting such proliferation.
- (3) For the Nuclear Non-Proliferation Treaty to be effective, each of the non-nuclear-weap-on State Parties must conclude a comprehensive safeguards agreement with the IAEA, and such agreements must be honored and enforced.
- (4) Recent events emphasize the urgency of strengthening the effectiveness and improving the efficiency of the safeguards system. This
