(a) Prior to approving any programs for projects as provided for in section 135, the Secretary shall require assurances from any State desiring to avail itself of the benefits of this chapter that employment in connection with proposed projects will be provided without regard to race, color, creed, national origin, or sex. The Secretary shall require that each State shall include in the advertised specifications, notification of the specific equal employment opportunity responsibilities of the successful bidder. In approving programs for projects on any of the Federal-aid systems, the Secretary¹ if necessary to ensure equal employment opportunity, shall require certification by any State desiring to avail itself of the benefits of this chapter that there are in existence and available on a regional, statewide, or local basis, apprenticeship, skill improvement or other upgrading programs, registered with the Department of Labor or the appropriate State agency, if any, which provide equal opportunity for training and employment without regard to race, color, creed, national origin, or sex. participation in such program. The Secretary shall periodically obtain from the Secretary of Labor and the respective State transportation departments information which will enable the Secretary to judge compliance with the requirements of this section and the Secretary of Labor shall render to the Secretary such assistance and information as the Secretary of Transportation shall deem necessary to carry out the equal employment opportunity program required hereunder.

From administrative funds made available under section 104(a), the Secretary shall deduct such sums as necessary, not to exceed \$10,000,000 per fiscal year, for the administration of this subsection. Such sums so deducted shall remain available until expended. The provisions of section 6101(b) to (d) of title 41 shall not be applicable to contracts and agreements made under the authority herein granted to the Secretary. Notwithstanding any other provision of law, not to exceed ½ of 1 percent of funds apportioned to a State for the surface transportation program under section 104(b) may be available to carry out this subsection upon request of the State transportation department to the Secretary.

(c) The Secretary, in cooperation with any other department or agency of the Government, State agency, authority, association, institution, Indian tribal government, corporation (profit or nonprofit), or any other organization or person, is authorized to develop, conduct, and administer training programs and assistance programs in connection with any program under this title in order that minority businesses may achieve proficiency to compete, on an equal basis, for contracts and subcontracts. From administrative funds made available under section 104(a), the Secretary shall deduct such sums as necessary, not to exceed \$10,000,000 per fiscal year, for the administration of this subsection. The provisions of section 6101(b) to (d) of title 41 shall not be applicable to contracts and agreements made under the authority herein granted to the Secretary notwithstanding the provisions of section 3106 of title 41.

(d) INDIAN EMPLOYMENT.—Consistent with section 703(i) of the Civil Rights Act of 1964 (42 U.S.C. 2000e-2(i)), nothing in this section shall preclude the preferential employment of Indians living on or near a reservation on projects and contracts on Indian reservation roads.
