§ 1366. Pass-thru of items to shareholders

(a) Determination of shareholder's tax liability

(1) In general

In determining the tax under this chapter of a shareholder for the shareholder's taxable year in which the taxable year of the S corporation ends (or for the final taxable year of a shareholder who dies, or of a trust or estate which terminates, before the end of the corporation's taxable year), there shall be taken into account the shareholder's pro rata share of the corporation's—

(A) items of income (including tax-exempt income), loss, deduction, or credit the separate treatment of which could affect the liability for tax of any shareholder, and

(B) nonseparately computed income or loss.

For purposes of the preceding sentence, the items referred to in subparagraph (A) shall include amounts described in paragraph (4) or (6) of section 702(a).

(2) Nonseparately computed income or loss defined

For purposes of this subchapter, the term "nonseparately computed income or loss" means gross income minus the deductions allowed to the corporation under this chapter, determined by excluding all items described in paragraph (1)(A).

(b) Character passed thru

The character of any item included in a shareholder's pro rata share under paragraph (1) of subsection (a) shall be determined as if such item were realized directly from the source from which realized by the corporation, or incurred in the same manner as incurred by the corporation.

(c) Gross income of a shareholder

In any case where it is necessary to determine the gross income of a shareholder for purposes of this title, such gross income shall include the shareholder's pro rata share of the gross income of the corporation.

(d) Special rules for losses and deductions

(1) Cannot exceed shareholder's basis in stock and debt

The aggregate amount of losses and deductions taken into account by a shareholder under subsection (a) for any taxable year shall not exceed the sum of—

(A) the adjusted basis of the shareholder's stock in the S corporation (determined with regard to paragraphs (1) and (2)(A) of section 1367(a) for the taxable year), and

(B) the shareholder's adjusted basis of any indebtedness of the S corporation to the

shareholder (determined without regard to any adjustment under paragraph (2) of section 1367(b) for the taxable year).

(2) Indefinite carryover of disallowed losses and deductions

(A) In general

Except as provided in subparagraph (B), any loss or deduction which is disallowed for any taxable year by reason of paragraph (1) shall be treated as incurred by the corporation in the succeeding taxable year with respect to that shareholder.

(B) Transfers of stock between spouses or incident to divorce

In the case of any transfer described in section 1041(a) of stock of an S corporation, any loss or deduction described in subparagraph (A) with respect such stock shall be treated as incurred by the corporation in the succeeding taxable year with respect to the transferee.

(3) Carryover of disallowed losses and deductions to post-termination transition period

(A) In general

If for the last taxable year of a corporation for which it was an S corporation a loss or deduction was disallowed by reason of paragraph (1), such loss or deduction shall be treated as incurred by the shareholder on the last day of any post-termination transition period.

(B) Cannot exceed shareholder's basis in stock

The aggregate amount of losses and deductions taken into account by a shareholder under subparagraph (A) shall not exceed the adjusted basis of the shareholder's stock in the corporation (determined at the close of the last day of the post-termination transition period and without regard to this paragraph).

(C) Adjustment in basis of stock

The shareholder's basis in the stock of the corporation shall be reduced by the amount allowed as a deduction by reason of this paragraph.

(D) At-risk limitations

To the extent that any increase in adjusted basis described in subparagraph (B) would have increased the shareholder's amount at risk under section 465 if such increase had occurred on the day preceding the commencement of the post-termination transition period, rules similar to the rules described in subparagraphs (A) through (C) shall apply to any losses disallowed by reason of section 465(a).

(4) Application of limitation on charitable contributions

In the case of any charitable contribution of property to which the second sentence of section 1367(a)(2) applies, paragraph (1) shall not apply to the extent of the excess (if any) of—

(A) the shareholder's pro rata share of such contribution, over

(B) the shareholder's pro rata share of the adjusted basis of such property.
