

(18) Research grants may be used to provide for research and demonstration projects and related activities that explore the use and effectiveness of specific alternative or complementary medical practices for individuals with disabilities. Such projects and activities may include projects and activities designed to—

(A) determine the use of specific alternative or complementary medical practices among individuals with disabilities and the perceived effectiveness of the practices;

(B) determine the specific information sources, decisionmaking methods, and methods of payment used by individuals with disabilities who access alternative or complementary medical services;

(C) develop criteria to screen and assess the validity of research studies of such practices for individuals with disabilities; and

(D) determine the effectiveness of specific alternative or complementary medical practices that show promise for promoting increased functioning, prevention of secondary disabilities, or other positive outcomes for individuals with certain types of disabilities, by conducting controlled research studies.

(c) Site visits; grant limitations

(1) In carrying out evaluations of covered activities under this section, the Director is authorized to make arrangements for site visits to obtain information on the accomplishments of the projects.

(2) The Director shall not make a grant under this section that exceeds \$500,000 unless the peer review of the grant application has included a site visit.

Subsec. (b)(3)(C)(i), (G)(i). Pub. L. 105-394 substituted “the Assistive Technology Act of 1998” for “the Technology-Related Assistance for Individuals With Disabilities Act of 1988 (29 U.S.C. 2201 et seq.)”.

DEFINITIONS

For meaning of references to an intellectual disability and to individuals with intellectual disabilities in provisions amended by section 2 of Pub. L. 111-256, see section 2(k) of Pub. L. 111-256, set out as a note under section 1400 of Title 20, Education.

§ 765. Rehabilitation Research Advisory Council

(a) Establishment

Subject to the availability of appropriations, the Secretary shall establish in the Department of Education a Rehabilitation Research Advisory Council (referred to in this section as the “Council”) composed of 12 members appointed by the Secretary.

(b) Duties

The Council shall advise the Director with respect to research priorities and the development and revision of the 5-year plan required by section 762(h) of this title.

(c) Qualifications

Members of the Council shall be generally representative of the community of rehabilitation professionals, the community of rehabilitation researchers, the community of individuals with disabilities, and the individuals’ representatives. At least one-half of the members shall be individuals with disabilities or the individuals’ representatives.

(d) Terms of appointment

(1) Length of term

Each member of the Council shall serve for a term of up to 3 years, determined by the Secretary, except that—

(A) a member appointed to fill a vacancy occurring prior to the expiration of the term for which a predecessor was appointed, shall be appointed for the remainder of such term; and

(B) the terms of service of the members initially appointed shall be (as specified by the Secretary) for such fewer number of years as will provide for the expiration of terms on a staggered basis.

(2) Number of terms

No member of the Council may serve more than two consecutive full terms. Members may serve after the expiration of their terms until their successors have taken office.

(e) Vacancies

Any vacancy occurring in the membership of the Council shall be filled in the same manner as the original appointment for the position being vacated. The vacancy shall not affect the power of the remaining members to execute the duties of the Council.

(f) Payment and expenses

(1) Payment

Each member of the Council who is not an officer or full-time employee of the Federal

Government shall receive a payment of \$150 for each day (including travel time) during which the member is engaged in the performance of duties for the Council. All members of the Council who are officers or full-time employees of the United States shall serve without compensation in addition to compensation received for their services as officers or employees of the United States.

(2) Travel expenses

Each member of the Council may receive travel expenses, including per diem in lieu of subsistence, as authorized by section 5703 of title 5 for employees serving intermittently in the Government service, for each day the member is engaged in the performance of duties away from the home or regular place of business of the member.

(g) Detail of Federal employees

On the request of the Council, the Secretary may detail, with or without reimbursement, any of the personnel of the Department of Education to the Council to assist the Council in carrying out its duties. Any detail shall not interrupt or otherwise affect the civil service status or privileges of the Federal employee.

(h) Technical assistance

On the request of the Council, the Secretary shall provide such technical assistance to the Council as the Council determines to be necessary to carry out its duties.

(i) Termination

Section 14 of the Federal Advisory Committee Act (5 U.S.C. App.) shall not apply with respect to the Council.

(Pub. L. 93-112, title II, §205, as added Pub. L. 105-220, title IV, §405, Aug. 7, 1998, 112 Stat. 1182; amended Pub. L. 105-277, div. A, §101(f) [title VIII, §§401(16), 402(b)(11)], Oct. 21, 1998, 112 Stat. 2681-337, 2681-412, 2681-414.)

L. 105-220, title IV, §406, Aug. 7, 1998, 112 Stat. 1183, without reference to those intervening amendments because of the extensive revision of title III by Pub. L. 105-220.

§ 771. Declaration of purpose and competitive basis of grants and contracts

(a) Purpose

It is the purpose of this subchapter to authorize grants and contracts to—

(1)(A) provide academic training to ensure that skilled personnel are available to provide rehabilitation services to individuals with disabilities through vocational, medical, social, and psychological rehabilitation programs (including supported employment programs), through economic and business development programs, through independent living services programs, and through client assistance programs; and

(B) provide training to maintain and upgrade basic skills and knowledge of personnel (including personnel specifically trained to deliver services to individuals with disabilities whose employment outcome is self-employment or telecommuting) employed to provide state-of-the-art service delivery and rehabilitation technology services;

(2) conduct special projects and demonstrations that expand and improve the provision of rehabilitation and other services (including those services provided through community rehabilitation programs) authorized under this chapter, or that otherwise further the purposes of this chapter, including related research and evaluation;

(3) provide vocational rehabilitation services to individuals with disabilities who are migrant or seasonal farmworkers;

(4) initiate recreational programs to provide recreational activities and related experiences for individuals with disabilities to aid such individuals in employment, mobility, socialization, independence, and community integration; and

(5) provide training and information to individuals with disabilities and the individuals' representatives, and other appropriate parties to develop the skills necessary for individuals with disabilities to gain access to the rehabilitation system and statewide workforce investment systems and to become active decision-makers in the rehabilitation process.
