§ 1422. Notice of reorganization and funding requirements

(2) The persons described in this paragraph are—

(A) each employer who has an obligation to contribute under the plan (within the meaning of section 1381(h)(5) of this title), and

(3) The determination under paragraph (1)(B) shall be made without regard to the overburden credit provided by section 1424 of this title.

(b) The corporation may prescribe additional or alternative requirements for assuring, in the case of a plan with respect to which notice is required by subsection (a)(1) of this section, that the persons described in subsection (a)(2) of this section—

(B) the plan's accumulated funding deficiency under section 1084(a) of this title for such plan year shall be equal to the excess (if any) of—

(i) the sum of the minimum contribution requirement for such plan year (taking into account any overburden credit under section 1424(a) of this title) plus the plan's accumulated funding deficiency for the preceding plan year (determined under this section if the plan was in reorganization during such year or under section 1084(a) of this title if the plan was not in reorganization), over

(ii) amounts considered contributed by employers to or under the plan for the plan year (increased by any amount waived under subsection (f) of this section for the plan year).

(2) For purposes of paragraph (1), withdrawal liability payments (whether or not received) which are due with respect to withdrawals before the end of the base plan year shall be considered amounts contributed by the employer to or under the plan if, as of the adjustment date, it was reasonable for the plan sponsor to anticipate that such payments would be made during the plan year.
