§ 214. Employment under special certificates

(a) Learners, apprentices, messengers

The Secretary, to the extent necessary in order to prevent curtailment of opportunities for employment, shall by regulations or by orders provide for the employment of learners, of apprentices, and of messengers employed primarily in delivering letters and messages, under special certificates issued pursuant to regulations of the Secretary, at such wages lower than the minimum wage applicable under section 206 of this title and subject to such limitations as to time, number, proportion, and length of service as the Secretary shall prescribe.

(b) Students

(1)(A) The Secretary, to the extent necessary in order to prevent curtailment of opportunities for employment, shall by special certificate issued under a regulation or order provide, in accordance with subparagraph (B), for the employment, at a wage rate not less than 85 per centum of the otherwise applicable wage rate in effect under section 206 of this title or not less than \$1.60 an hour, whichever is the higher, of full-time students (regardless of age but in compliance with applicable child labor laws) in retail or service establishments.

(B) Except as provided in paragraph (4)(B), during any month in which full-time students are to be employed in any retail or service establishment under certificates issued under this subsection the proportion of student hours of employment to the total hours of employment of all employees in such establishment may not exceed—

(i) in the case of a retail or service establishment whose employees (other than employees engaged in commerce or in the production of goods for commerce) were covered by this chapter before the effective date of the Fair Labor Standards Amendments of 1974—

(I) the proportion of student hours of employment to the total hours of employment of all employees in such establishment for the corresponding month of the immediately preceding twelve-month period,

(II) the maximum proportion for any corresponding month of student hours of employment to the total hours of employment of all employees in such establishment applicable to the issuance of certificates under this section at any time before the effective date of the Fair Labor Standards Amendments of 1974 for the employment of students by such employer, or

(III) a proportion equal to one-tenth of the total hours of employment of all employees in such establishment,

whichever is greater;

(ii) in the case of retail or service establishment whose employees (other than employees engaged in commerce or in the production of goods for commerce) are covered for the first

time on or after the effective date of the Fair Labor Standards Amendments of 1974—

(I) the proportion of hours of employment of students in such establishment to the total hours of employment of all employees in such establishment for the corresponding month of the twelve-month period immediately prior to the effective date of such Amendments,

(II) the proportion of student hours of employment to the total hours of employment of all employees in such establishment for the corresponding month of the immediately preceding twelve-month period, or

(III) a proportion equal to one-tenth of the total hours of employment of all employees in such establishment,

whichever is greater; or

(iii) in the case of a retail or service establishment for which records of student hours worked are not available, the proportion of student hours of employment to the total hours of employment of all employees based on the practice during the immediately preceding twelve-month period in (I) similar establishments of the same employer in the same general metropolitan area in which such establishment is located, (II) similar establishments of the same or nearby communities if such establishment is not in a metropolitan area, or (III) other establishments of the same general character operating in the community or the nearest comparable community.

For purpose of clauses (i), (ii), and (iii) of this subparagraph, the term “student hours of employment” means hours during which students are employed in a retail or service establishment under certificates issued under this subsection.

(2) The Secretary, to the extent necessary in order to prevent curtailment of opportunities for employment, shall by special certificate issued under a regulation or order provide for the employment, at a wage rate not less than 85 per centum of the wage rate in effect under section 206(a)(5)¹ of this title or not less than \$1.30 an hour, whichever is the higher, of full-time students (regardless of age but in compliance with applicable child labor laws) in any occupation in agriculture.

(3) The Secretary, to the extent necessary in order to prevent curtailment of opportunities for employment, shall by special certificate issued under a regulation or order provide for the employment by an institution of higher education, at a wage rate not less than 85 per centum of the otherwise applicable wage rate in effect under section 206 of this title or not less than \$1.60 an hour, whichever is the higher, of full-time students (regardless of age but in compliance with applicable child labor laws) who are enrolled in such institution. The Secretary shall by regulation prescribe standards and requirements to insure that this paragraph will not create a substantial probability of reducing the full-time employment opportunities of persons other than those to whom the minimum wage rate authorized by this paragraph is applicable.

¹ See References in Text note below.

(4)(A) A special certificate issued under paragraph (1), (2), or (3) shall provide that the student or students for whom it is issued shall, except during vacation periods, be employed on a part-time basis and not in excess of twenty hours in any workweek.

(B) If the issuance of a special certificate under paragraph (1) or (2) for an employer will cause the number of students employed by such employer under special certificates issued under this subsection to exceed six, the Secretary may not issue such a special certificate for the employment of a student by such employer unless the Secretary finds employment of such student will not create a substantial probability of reducing the full-time employment opportunities of persons other than those employed under special certificates issued under this subsection. If the issuance of a special certificate under paragraph (1) or (2) for an employer will not cause the number of students employed by such employer under special certificates issued under this subsection to exceed six—

(i) the Secretary may issue a special certificate under paragraph (1) or (2) for the employment of a student by such employer if such employer certifies to the Secretary that the employment of such student will not reduce the full-time employment opportunities of persons other than those employed under special certificates issued under this subsection, and

(ii) in the case of an employer which is a retail or service establishment, subparagraph (B) of paragraph (1) shall not apply with respect to the issuance of special certificates for such employer under such paragraph.

The requirement of this subparagraph shall not apply in the case of the issuance of special certificates under paragraph (3) for the employment of full-time students by institutions of higher education; except that if the Secretary determines that an institution of higher education is employing students under certificates issued under paragraph (3) but in violation of the requirements of that paragraph or of regulations issued thereunder, the requirements of this subparagraph shall apply with respect to the issuance of special certificates under paragraph (3) for the employment of students by such institution.

(C) No special certificate may be issued under this subsection unless the employer for whom the certificate is to be issued provides evidence satisfactory to the Secretary of the student status of the employees to be employed under such special certificate.

(D) To minimize paperwork for, and to encourage, small businesses to employ students under special certificates issued under paragraphs (1) and (2), the Secretary shall, by regulation or order, prescribe a simplified application form to be used by employers in applying for such a certificate for the employment of not more than six full-time students. Such an application shall require only—

(i) a listing of the name, address, and business of the applicant employer,

(ii) a listing of the date the applicant began business, and

(iii) the certification that the employment of such full-time students will not reduce the

full-time employment opportunities of persons other than persons employed under special certificates.

(c) Handicapped workers

(1) The Secretary, to the extent necessary to prevent curtailment of opportunities for employment, shall by regulation or order provide for the employment, under special certificates, of individuals (including individuals employed in agriculture) whose earning or productive capacity is impaired by age, physical or mental deficiency, or injury, at wages which are—

(A) lower than the minimum wage applicable under section 206 of this title,

(B) commensurate with those paid to nonhandicapped workers, employed in the vicinity in which the individuals under the certificates are employed, for essentially the same type, quality, and quantity of work, and

(C) related to the individual's productivity.

(2) The Secretary shall not issue a certificate under paragraph (1) unless the employer provides written assurances to the Secretary that—

(A) in the case of individuals paid on an hourly rate basis, wages paid in accordance with paragraph (1) will be reviewed by the employer at periodic intervals at least once every six months, and

(B) wages paid in accordance with paragraph (1) will be adjusted by the employer at periodic intervals, at least once each year, to reflect changes in the prevailing wage paid to experienced nonhandicapped individuals employed in the locality for essentially the same type of work.

(3) Notwithstanding paragraph (1), no employer shall be permitted to reduce the hourly wage rate prescribed by certificate under this subsection in effect on June 1, 1986, of any handicapped individual for a period of two years from such date without prior authorization of the Secretary.

(4) Nothing in this subsection shall be construed to prohibit an employer from maintaining or establishing work activities centers to provide therapeutic activities for handicapped clients.

(5)(A) Notwithstanding any other provision of this subsection, any employee receiving a special minimum wage at a rate specified pursuant to this subsection or the parent or guardian of such an employee may petition the Secretary to obtain a review of such special minimum wage rate. An employee or the employee's parent or guardian may file such a petition for and in behalf of the employee or in behalf of the employee and other employees similarly situated. No employee may be a party to any such action unless the employee or the employee's parent or guardian gives consent in writing to become such a party and such consent is filed with the Secretary.

(B) Upon receipt of a petition filed in accordance with subparagraph (A), the Secretary within ten days shall assign the petition to an administrative law judge appointed pursuant to section 3105 of title 5. The administrative law judge shall conduct a hearing on the record in accordance with section 554 of title 5 with re-

spect to such petition within thirty days after assignment.

(C) In any such proceeding, the employer shall have the burden of demonstrating that the special minimum wage rate is justified as necessary in order to prevent curtailment of opportunities for employment.

(D) In determining whether any special minimum wage rate is justified pursuant to subparagraph (C), the administrative law judge shall consider—

(i) the productivity of the employee or employees identified in the petition and the conditions under which such productivity was measured; and

(ii) the productivity of other employees performing work of essentially the same type and quality for other employers in the same vicinity.

(E) The administrative law judge shall issue a decision within thirty days after the hearing provided for in subparagraph (B). Such action shall be deemed to be a final agency action unless within thirty days the Secretary grants a request to review the decision of the administrative law judge. Either the petitioner or the employer may request review by the Secretary within fifteen days of the date of issuance of the decision by the administrative law judge.

(F) The Secretary, within thirty days after receiving a request for review, shall review the record and either adopt the decision of the administrative law judge or issue exceptions. The decision of the administrative law judge, together with any exceptions, shall be deemed to be a final agency action.

(G) A final agency action shall be subject to judicial review pursuant to chapter 7 of title 5. An action seeking such review shall be brought within thirty days of a final agency action described in subparagraph (F).

(d) Employment by schools

The Secretary may by regulation or order provide that sections 206 and 207 of this title shall not apply with respect to the employment by any elementary or secondary school of its students if such employment constitutes, as determined under regulations prescribed by the Secretary, an integral part of the regular education program provided by such school and such employment is in accordance with applicable child labor laws.
