

ney General, who is hereby authorized to initiate, in addition to any other remedies provided for in this subchapter, in any court of competent jurisdiction, an action in equity for an injunction to restrain any interference with the exercise of the right to enter or to conduct any work provided in this subchapter.

**(d) Construct and operate plants for control and treatment of water pollution resulting from mine drainage**

The Secretary or the State pursuant to an approved State program, shall have the power and authority to construct and operate a plant or plants for the control and treatment of water pollution resulting from mine drainage. The extent of this control and treatment may be dependent upon the ultimate use of the water: *Provided*, That the above provisions of this paragraph shall not be deemed in any way to repeal or supersede any portion of the Federal Water Pollution Control Act (33 U.S.C.A. 1151, et seq. as amended) [33 U.S.C. 1251 et seq.] and no control or treatment under this subsection shall in any way be less than that required under the Federal Water Pollution Control Act. The construction of a plant or plants may include major interceptors and other facilities appurtenant to the plant.

**(e) Transfer funds**

The Secretary may transfer funds to other appropriate Federal agencies, in order to carry out the reclamation activities authorized by this subchapter.

**§ 1244. Remining incentives**

**(a) In general**

Notwithstanding any other provision of this chapter, the Secretary may, after opportunity

for public comment, promulgate regulations that describe conditions under which amounts in the fund may be used to provide incentives to promote remining of eligible land under section 1234 of this title in a manner that leverages the use of amounts from the fund to achieve more reclamation with respect to the eligible land than would be achieved without the incentives.

**(b) Requirements**

Any regulations promulgated under subsection (a) shall specify that the incentives shall apply only if the Secretary determines, with the concurrence of the State regulatory authority referred to in subchapter V, that, without the incentives, the eligible land would not be likely to be remined and reclaimed.

**(c) Incentives**

**(1) In general**

Incentives that may be considered for inclusion in the regulations promulgated under subsection (a) include, but are not limited to—

(A) a rebate or waiver of the reclamation fees required under section 1232(a) of this title; and

(B) the use of amounts in the fund to provide financial assurance for remining operations in lieu of all or a portion of the performance bonds required under section 1259 of this title.

**(2) Limitations**

**(A) Use**

A rebate or waiver under paragraph (1)(A) shall be used only for operations that—

(i) remove or reprocess abandoned coal mine waste; or

(ii) conduct remining activities that meet the priorities specified in paragraph (1) or (2) of section 1233(a) of this title.

**(B) Amount**

The amount of a rebate or waiver provided as an incentive under paragraph (1)(A) to remine or reclaim eligible land shall not exceed the estimated cost of reclaiming the eligible land under this section.

SUBCHAPTER V—CONTROL OF THE ENVIRONMENTAL IMPACTS OF SURFACE COAL MINING

**§ 1251. Environmental protection standards**

(a) Not later than the end of the ninety-day period immediately following August 3, 1977, the Secretary shall promulgate and publish in the Federal Register regulations covering an interim regulatory procedure for surface coal mining and reclamation operations setting mining and reclamation performance standards based on and incorporating the provisions set out in section 1252(c) of this title. The issuance of the interim regulations shall be deemed not to be a major Federal action within the meaning of section 4332(2)(c)<sup>1</sup> of title 42. Such regulations,

<sup>1</sup> So in original. Probably should be “4332(2)(C)”.
