(2) \$1,166,666,667 were allocated among the States on the basis of population inversely weighted for per capita income, by allocating to each State an amount bearing the same ratio to the total amount to be allocated under this paragraph as—

(A) the population of the State, multiplied by a fraction in which—

(i) the numerator is the per capita income of all States; and

(ii) the denominator is the per capita income of the State; bears to

(B) the sum of the products determined under subparagraph (A) for all States;

(3) \$600,000,000 were allocated among the States on the basis of income tax collections by allocating to each State an amount bearing the same ratio to the total amount to be allocated under this paragraph as the income tax amount of the State (determined under subsection (d)(1)) bears to the sum of the income tax amounts of all States;

(4) \$600,000,000 were allocated among the States on the basis of general tax effort by al-
