The words "troops in Federal service" are substituted for the words "troops of the United States". The words "officers in Federal service who command" are substituted for the words "commander of the United States troops". The words "post, air base, or other place" are substituted for the words "military post, or reservation, or elsewhere". The words "that place and the Federal troops on duty there" are substituted for the words "there or elsewhere". In subsection (a) the words “ceases to have the qualifications prescribed under section 300 of this title” are substituted for 32:154 (last 26 words of last par.), since it is implicit that a member who could not be paid would lose his federally recognized status (see JAGA 1953/9033, 3 Dec. 1953). The last 23 words of subsection (a) are inserted as a necessary implication of the rule stated in section 309(c) of this title.

In subsection (b), the words “or warrant officer” are omitted, since section 101(9) of this title defines “offi-

cer” to include warrant officers. The word “detailed” is substituted for the word “appointed”, since the filling of the positions involved is not appointment to an office in the constitutional sense. The word “commissioned” is inserted after the words “composed of”, since the word “officer” alone, in 32:115, referred to a commissioned officer only (see opinion of the Judge Advocate General of the Army (JAGA 1953/4078, 6 May 1953)). The words “who outrank him” are substituted for the words “senior in rank to the officer under investigation”.

In subsection (c), the opening clause is substituted for the words “such transfer”. The words “his Federal recognition is withdrawn” are substituted for the words “shall terminate his federally recognized National Guard or Air National Guard status”.
