NO REQUIREMENT OF REIMBURSEMENT

Pub. L. 104-303, title II, §203(c), Oct. 12, 1996, 110 Stat. 3678, provided that: “Nothing in this section [amending this section and enacting provisions set out above] or any amendment made by this section requires the Secretary to reimburse the non-Federal interests for funds previously contributed for a study.”

§ 2216. Rate of interest

Whenever a non-Federal interest is required or elects to repay an amount under this Act over a period of time, the amount to be repaid shall include interest at a rate determined by the Secretary of the Treasury, taking into consideration the average market yields on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the reimbursement period, during the month preceding the fiscal year in which costs for the construction of the project are first incurred (or in the case of recalculation the fiscal year in which the recalculation is made), plus a premium of one-eighth of one percentage point for transaction costs; except that such rates for hydroelectric power shall be in accordance with existing law.

SUBCHAPTER II—HARBOR DEVELOPMENT

§ 2231. Studies of projects by non-Federal interests

(a) Submission to Secretary

A non-Federal interest may on its own undertake a feasibility study of a proposed harbor or

inland harbor project and submit it to the Secretary. To assist non-Federal interests, the Secretary shall, as soon as practicable, promulgate guidelines for studies of harbors or inland harbors to provide sufficient information for the formulation of studies.

(b) Review by Secretary

The Secretary shall review each study submitted under subsection (a) of this section for the purpose of determining whether or not such study and the process under which such study was developed comply with Federal laws and regulations applicable to feasibility studies of navigation projects for harbors or inland harbors.

(c) Submission to Congress

Not later than 180 days after receiving any study submitted under subsection (a) of this section, the Secretary shall transmit to the Congress, in writing, the results of such review and any recommendations the Secretary may have concerning the project described in such plan and design.

(d) Credit and reimbursement

If a project for which a study has been submitted under subsection (a) of this section is authorized by any provision of Federal law enacted after the date of such submission, the Secretary shall credit toward the non-Federal share of the cost of construction of such project an amount equal to the portion of the cost of developing such study that would be the responsibility of the United States if such study were developed by the Secretary.

(Pub. L. 99-662, title II, §203, Nov. 17, 1986, 100 Stat. 4098.)

SHORT TITLE

For short title of title II of Pub. L. 99-662, enacting this subchapter, as the Harbor Development and Navigation Improvement Act of 1986, see section 215 of Pub. L. 99-662, set out as a note under section 2201 of this title.

§ 2232. Construction of projects by non-Federal interests

(a) Authority

In addition to projects undertaken pursuant to sections 201 and 202 of this title, any non-Federal interest is authorized to undertake navigational improvements in harbors or inland harbors of the United States, subject to obtaining any permits required pursuant to Federal and State laws in advance of the actual construction of such improvements.

(b) Studies and engineering

When requested by an appropriate non-Federal interest the Secretary is authorized to undertake all necessary studies and engineering for any construction to be undertaken under the terms of subsection (a) of this section, and provide technical assistance in obtaining all necessary permits, if the non-Federal interest contracts with the Secretary to furnish the United States funds for such studies and engineering during the period that they are conducted.

(c) Completion of studies

The Secretary is authorized to complete and transmit to the appropriate non-Federal inter-
