

section (a)(1) of this section to a Native Hawaiian health care system—

(A) in an amount exceeding 83.3 percent of the costs of providing health services under the grant or contract; and

(B) unless the Native Hawaiian health care system agrees that the Native Hawaiian health care system or the State of Hawaii will make available, directly or through donations to the Native Hawaiian health care system, non-Federal contributions toward such costs in an amount equal to not less than \$1 (in cash or in kind under paragraph (2)) for each \$5 of Federal funds provided in such grant or contract.

(2) Non-Federal contributions required in paragraph (1) may be in cash or in kind, fairly evaluated, including plant, equipment, or services. Amounts provided by the Federal Government or services assisted or subsidized to any significant extent by the Federal Government may not be included in determining the amount of such non-Federal contributions.

(3) The Secretary may waive the requirement established in paragraph (1) if—

(A) the Native Hawaiian health care system involved is a nonprofit private entity described in subsection (b) of this section; and

(B) the Secretary, in consultation with Papa Ola Lokahi, determines that it is not feasible for the Native Hawaiian health care system to comply with such requirement.

(f) Restriction on use of grant and contract funds

The Secretary may not make a grant to, or enter into a contract with, any entity under subsection (a)(1) of this section unless the entity agrees that, amounts received pursuant to such subsection will not, directly or through contract, be expended—

(1) for any purpose other than the purposes described in subsection (c) of this section;

(2) to provide inpatient services;

(3) to make cash payments to intended recipients of health services; or

(4) to purchase or improve real property (other than minor remodeling of existing improvements to real property) or to purchase major medical equipment.

(g) Limitation on charges for services

The Secretary may not make a grant, or enter into a contract with, any entity under subsection (a)(1) of this section unless the entity agrees that, whether health services are provided directly or through contract—

(1) health services under the grant or contract will be provided without regard to ability to pay for the health services; and

(2) the entity will impose a charge for the delivery of health services, and such charge—

(A) will be made according to a schedule of charges that is made available to the public, and

(B) will be adjusted to reflect the income of the individual involved.

(h) Authorization of appropriations

(1) There are authorized to be appropriated such sums as may be necessary for fiscal years 1993 through 2019 to carry out subsection (a)(1) of this section.

(2) There are authorized to be appropriated such sums as may be necessary to carry out subsection (a)(2) of this section.

§ 11707. Administration of grants and contracts

(a) Terms and conditions

The Secretary shall include in any grant made or contract entered into under this chapter such terms and conditions as the Secretary considers necessary or appropriate to ensure that the objectives of such grant or contract are achieved.

(b) Periodic review

The Secretary shall periodically evaluate the performance of, and compliance with, grants and contracts under this chapter.

(c) Administrative requirements

The Secretary may not make a grant or enter into a contract under this chapter with an entity unless the entity—

(1) agrees to establish such procedures for fiscal control and fund accounting as may be necessary to ensure proper disbursement and accounting with respect to the grant or contract;

(2) agrees to ensure the confidentiality of records maintained on individuals receiving health services under the grant or contract;

(3) with respect to providing health services to any population of Native Hawaiians, a substantial portion of which has a limited ability to speak the English language—

(A) has developed and has the ability to carry out a reasonable plan to provide health services under the grant or contract through individuals who are able to communicate with the population involved in the language and cultural context that is most appropriate; and

(B) has designated at least one individual, fluent in both English and the appropriate language, to assist in carrying out the plan;

(4) with respect to health services that are covered in the plan of the State of Hawaii approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.]—

(A) if the entity will provide under the grant or contract any such health services directly—

(i) the entity has entered into a participation agreement under such plans; and

(ii) the entity is qualified to receive payments under such plan; and

(B) if the entity will provide under the grant or contract any such health services through a contract with an organization—

(i) the organization has entered into a participation agreement under such plan; and

(ii) the organization is qualified to receive payments under such plan; and

(5) agrees to submit to the Secretary and to Papa Ola Lokahi an annual report that describes the utilization and costs of health services provided under the grant or contract (including the average cost of health services per user) and that provides such other information as the Secretary determines to be appropriate.

(d) Contract evaluation

(1) If, as a result of evaluations conducted by the Secretary, the Secretary determines that an entity has not complied with or satisfactorily performed a contract entered into under section 11705 of this title, the Secretary shall, prior to renewing such contract, attempt to resolve the areas of noncompliance or unsatisfactory performance and modify such contract to prevent future occurrences of such noncompliance or unsatisfactory performance. If the Secretary determines that such noncompliance or unsatisfactory performance cannot be resolved and prevented in the future, the Secretary shall not renew such contract with such entity and is authorized to enter into a contract under section 11705 of this title with another entity referred to in section 11705(b) of this title that provides services to the same population of Native Hawaiians which is served by the entity whose con-
