

training substantially equivalent to the Police Corps training program described in this part.

(2) The Director may enter into contracts with individuals, institutions of learning, and government agencies (including State and local police forces) to obtain the services of persons qualified to participate in and contribute to the training process.

(3) The Director may enter into agreements with agencies of the Federal Government to utilize on a reimbursable basis space in Federal buildings and other resources.

(4) The Director may authorize such expenditures as are necessary for the effective maintenance of the training centers, including purchases of supplies, uniforms, and educational materials, and the provision of subsistence, quarters, and medical care to participants.

(b) Training sessions

A participant in a State Police Corps program shall attend up to 24 weeks, but no less than 16 weeks, of training at a training center. The Director may approve training conducted in not more than 3 separate sessions.

(c) Further training

The Police Corps training authorized in this section is intended to serve as basic law enforcement training but not to exclude further training of participants by the State and local authorities to which they will be assigned. Each State plan approved by the Director under section 14099¹ of this title shall include assurances that following completion of a participant's course of education each participant shall receive appropriate additional training by the State or local authority to which the participant is assigned. The time spent by a participant in such additional training, but not the time spent in Police Corps training, shall be counted toward fulfillment of the participant's 4-year service obligation.

(d) Course of training

The training sessions at training centers established under this section shall be designed to provide basic law enforcement training, including vigorous physical and mental training to teach participants self-discipline and organizational loyalty and to impart knowledge and understanding of legal processes and law enforcement.

(e) Evaluation of participants

A participant shall be evaluated during training for mental, physical, and emotional fitness, and shall be required to meet performance standards prescribed by the Director at the conclusion of each training session in order to remain in the Police Corps program.

(f) Stipend

The Director shall pay participants in training sessions a stipend of \$400 a week during training. (Pub. L. 103-322, title XX, §200108, Sept. 13, 1994, 108 Stat. 2054; Pub. L. 105-277, div. REFERENCES IN TEXT

Section 14099 of this title, referred to in subsec. (c), was in the original "section 10", and was translated as reading "section 200110", meaning section 200110 of Pub. L. 103-322, to reflect the probable intent of Congress, because Pub. L. 103-322 does not contain a section 10, and section 14099 of this title relates to requirements for State Police Corps plans.

AMENDMENTS

2002—Subsec. (f). Pub. L. 107-273 substituted "\$400" for "\$250".

1998—Subsec. (b). Pub. L. 105-277, §138(a)(1), added subsec. (b) and struck out heading and text of former subsec. (b). Text read as follows: "A participant in a State Police Corps program shall attend two 8-week training sessions at a training center, one during the summer following completion of sophomore year and one during the summer following completion of junior year. If a participant enters the program after sophomore year, the participant shall complete 16 weeks of training at times determined by the Director."

Subsec. (c). Pub. L. 105-277, §138(a)(2), substituted "The Police Corps" for "The 16 weeks of Police Corps".

§ 14098. Service obligation

(a) Swearing in

Upon satisfactory completion of the participant's course of education and training program established in section 14097 of this title and meeting the requirements of the police force to which the participant is assigned, a participant shall be sworn in as a member of the police force to which the participant is assigned pursuant to the State Police Corps plan, and shall serve for 4 years as a member of that police force.

(b) Rights and responsibilities

A participant shall have all of the rights and responsibilities of and shall be subject to all rules and regulations applicable to other members of the police force of which the participant is a member, including those contained in applicable agreements with labor organizations and those provided by State and local law.

(c) Discipline

If the police force of which the participant is a member subjects the participant to discipline such as would preclude the participant's completing 4 years of service, and result in denial of educational assistance under section 14095 of this title, the Director may, upon a showing of good cause, permit the participant to complete the service obligation in an equivalent alternative law enforcement service and, if such service is satisfactorily completed, section 14095(d)(1)(B)(iii) of this title shall not apply.

(d) Layoffs

If the police force of which the participant is a member lays off the participant such as would preclude the participant's completing 4 years of service, and result in denial of educational assistance under section 14095 of this title, the Director may permit the participant to complete the service obligation in an equivalent alternative law enforcement service and, if such service is satisfactorily completed, section 14095(d)(1)(B)(iii) of this title shall not apply.
