§ 1788. Team nutrition network

(a) Purposes

The purposes of the team nutrition network are—

(1) to establish State systems to promote the nutritional health of school children of the United States through nutrition education and the use of team nutrition messages and material developed by the Secretary, and to encourage regular physical activity and other activities that support healthy lifestyles for children, including those based on the most re-

cent Dietary Guidelines for Americans published under section 5341 of title 7;

(2) to provide assistance to States for the development of comprehensive and integrated nutrition education and active living programs in schools and facilities that participate in child nutrition programs;

(3) to provide training and technical assistance and disseminate team nutrition messages to States, school and community nutrition programs, and child nutrition food service professionals;

(4) to coordinate and collaborate with other nutrition education and active living programs that share similar goals and purposes; and

(5) to identify and share innovative programs with demonstrated effectiveness in helping children to maintain a healthy weight by enhancing student understanding of healthful eating patterns and the importance of regular physical activity.

(b) Definition of team nutrition network

In this section, the term “team nutrition network” means a statewide multidisciplinary program for children to promote healthy eating and physical activity based on scientifically valid information and sound educational, social, and marketing principles.

(c) Grants

(1) In general

Subject to the availability of funds for use in carrying out this section, in addition to any other funds made available to the Secretary for team nutrition purposes, the Secretary, in consultation with the Secretary of Education, may make grants to State agencies for each fiscal year, in accordance with this section, to establish team nutrition networks to promote nutrition education through—

(A) the use of team nutrition network messages and other scientifically based information; and

(B) the promotion of active lifestyles.

(2) Form

A portion of the grants provided under this subsection may be in the form of competitive grants.

(3) Funds from nongovernmental sources

In carrying out this subsection, the Secretary may accept cash contributions from nongovernmental organizations made expressly to further the purposes of this section, to be managed by the Food and Nutrition Service, for use by the Secretary and the States in carrying out this section.

(d) Allocation

Subject to the availability of funds for use in carrying out this section, the total amount of funds made available for a fiscal year for grants under this section shall equal not more than the sum of—

(1) the product obtained by multiplying ½ cent by the number of lunches reimbursed through food service programs under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.) during the second preceding
