

a report to Congress on the impact of the program on the collection of the election data described in subsection (a).

“(2) RECOMMENDATIONS.—The Commission shall include in the report submitted under paragraph (1) such recommendations as the Commission considers appropriate to improve the collection of data relating to regularly scheduled general elections for Federal office in all States, including recommendations for changes in Federal law or regulations and the Commission’s estimate of the amount of funding necessary to carry out such changes.”

§ 15382. Study, report, and recommendations on best practices for facilitating military and overseas voting

(a) Study

(1) In general

The Commission, in consultation with the Secretary of Defense, shall conduct a study on the best practices for facilitating voting by absent uniformed services voters (as defined in section 1973ff-6(1) of this title) and overseas voters (as defined in section 1973ff-6(5) of this title).

(2) Issues considered

In conducting the study under paragraph (1) the Commission shall consider the following issues:

(A) The rights of residence of uniformed services voters absent due to military orders.

(B) The rights of absent uniformed services voters and overseas voters to register to vote and cast absentee ballots, including the right of such voters to cast a secret ballot.

(C) The rights of absent uniformed services voters and overseas voters to submit absentee ballot applications early during an election year.

(D) The appropriate preelection deadline for mailing absentee ballots to absent uniformed services voters and overseas voters.

(E) The appropriate minimum period between the mailing of absentee ballots to absent uniformed services voters and overseas voters and the deadline for receipt of such ballots.

(F) The timely transmission of balloting materials to absent uniformed services voters and overseas voters.

(G) Security and privacy concerns in the transmission, receipt, and processing of ballots from absent uniformed services voters and overseas voters, including the need to protect against fraud.

(H) The use of a single application by absent uniformed services voters and overseas voters for absentee ballots for all Federal elections occurring during a year.

(I) The use of a single application for voter registration and absentee ballots by absent uniformed services voters and overseas voters.

(J) The use of facsimile machines and electronic means of transmission of absentee ballot applications and absentee ballots to absent uniformed services voters and overseas voters.

(K) Other issues related to the rights of absent uniformed services voters and overseas voters to participate in elections.

(b) Report and recommendations

Not later than the date that is 18 months after October 29, 2002, the Commission shall submit to the President and Congress a report on the study conducted under subsection (a)(1) of this section together with recommendations identifying the best practices used with respect to the issues considered under subsection (a)(2) of this section.

(Pub. L. 107-252, title II, § 242, Oct. 29, 2002, 116 Stat. 1688.)

§ 15383. Report on human factor research

Not later than 1 year after October 29, 2002, the Commission, in consultation with the Director of the National Institute of Standards and Technology, shall submit a report to Congress which assesses the areas of human factor research, including usability engineering and human-computer and human-machine interaction, which feasibly could be applied to voting products and systems design to ensure the usability and accuracy of voting products and systems, including methods to improve access for individuals with disabilities (including blindness) and individuals with limited proficiency in the English language and to reduce voter error and the number of spoiled ballots in elections.

§ 15384. Study and report on voters who register by mail and use of Social Security information

(a) Registration by mail

(1) Study

(A) In general

The Commission shall conduct a study of the impact of section 15483(b) of this title on voters who register by mail.

(B) Specific issues studied

The study conducted under subparagraph (A) shall include—

(i) an examination of the impact of section 15483(b) of this title on first time mail registrant voters who vote in person, including the impact of such section on voter registration;

(ii) an examination of the impact of such section on the accuracy of voter rolls, including preventing ineligible names from being placed on voter rolls and ensuring that all eligible names are placed on voter rolls; and

(iii) an analysis of the impact of such section on existing State practices, such as the use of signature verification or attestation procedures to verify the identity of voters in elections for Federal office, and an analysis of other changes that may be made to improve the voter registration process, such as verification or additional information on the registration card.

(2) Report

Not later than 18 months after the date on which section 15483(b)(2) of this title takes effect, the Commission shall submit a report to
