- (ii) \$75,000;

(B) for the establishment of revolving loan funds, an amount equal to the greater of—

- (i) 20 percent; and²
- (ii) \$250,000; and

(C) for the provision of subgrants to non-governmental organizations for the purpose of assisting in the implementation of the energy efficiency and conservation strategy of the eligible unit of local government or Indian tribe, an amount equal to the greater of—

- (i) 20 percent; and²
- (ii) \$250,000.

(4) Annual report

Not later than 2 years after the date on which funds are initially provided to an eligible unit of local government or Indian tribe under the program, and annually thereafter, the eligible unit of local government or Indian tribe shall submit to the Secretary a report describing—

(A) the status of development and implementation of the energy efficiency and conservation strategy of the eligible unit of local government or Indian tribe; and

(B) as practicable, an assessment of energy efficiency gains within the jurisdiction of the eligible unit of local government or Indian tribe.

(c) States

(1) Distribution of funds

(A) In general

A State that receives a grant under the program shall use not less than 60 percent of the amount received to provide subgrants to units of local government in the State that are not eligible units of local government.

(B) Deadline

The State shall provide the subgrants required under subparagraph (A) by not later than 180 days after the date on which the Secretary approves a proposed energy efficiency and conservation strategy of the State under paragraph (3).

(2) Revision of conservation plan; proposed strategy

Not later than 120 days after December 19, 2007, each State shall—

(A) modify the State energy conservation plan of the State under section 6322 of this title to establish additional goals for increased energy efficiency and conservation in the State; and

(B) submit to the Secretary a proposed energy efficiency and conservation strategy that—

- (i) establishes a process for providing subgrants as required under paragraph (1); and

- (ii) includes a plan of the State for the use of funds received under the program to assist the State in achieving the goals established under subparagraph (A), in accordance with sections 17152(b) and 17154 of this title.

(3) Approval by Secretary

(A) In general

The Secretary shall approve or disapprove a proposed strategy under paragraph (2)(B) by not later than 120 days after the date of submission of the proposed strategy.

(B) Disapproval

If the Secretary disapproves a proposed strategy under subparagraph (A)—

- (i) the Secretary shall provide to the State the reasons for the disapproval; and
- (ii) the State may revise and resubmit the proposed strategy as many times as necessary until the Secretary approves a proposed strategy.

(C) Requirement

The Secretary shall not provide to a State any grant under the program until a proposed strategy of the State is approved by the Secretary under this paragraph.

(4) Limitations on use of funds

A State may use not more than 10 percent of amounts provided under the program for administrative expenses.

(5) Annual reports

Each State that receives a grant under the program shall submit to the Secretary an annual report that describes—

(A) the status of development and implementation of the energy efficiency and conservation strategy of the State during the preceding calendar year;

(B) the status of the subgrant program of the State under paragraph (1);

(C) the energy efficiency gains achieved through the energy efficiency and conservation strategy of the State during the preceding calendar year; and

(D) specific energy efficiency and conservation goals of the State for subsequent calendar years.
