

business, college or university, foundation, or research organization) to provide information to the Commission concerning such entity's personnel policies, including salaries and benefits, promotion criteria, and affirmative action plans.

“(b) USE OF INFORMATION OBTAINED.—No information obtained from any entity by the Commission may be used in connection with any employment related litigation.

“SEC. 10. TERMINATION; ACCESS TO INFORMATION.

“(a) TERMINATION.—The Commission shall terminate 30 days after submitting the report required by section 8.

“(b) ACCESS TO INFORMATION.—On or before the date of the termination of the Commission under subsection (a), the Commission shall provide to the National Science Foundation the information gathered by the Commission in the process of carrying out its duties under this Act. The National Science Foundation shall act as a central repository for such information and shall make such information available to the public, including making such information available through the Internet.

“SEC. 11. REVIEW OF INFORMATION PROVIDED BY THE NATIONAL SCIENCE FOUNDATION AND OTHER AGENCIES.

“(a) PROVISION OF INFORMATION.—At the request of the Commission, the National Science Foundation and any other Federal department or agency shall provide to the Commission any information determined necessary by the Commission to carry out its duties under this Act, including—

“(1) data on academic degrees awarded to women, minorities, and individuals with disabilities in science, engineering, and technology development, and workforce representation and the retention of women, minorities, and individuals with disabilities in the fields of science, engineering, and technology development; and

“(2) information gathered by the National Science Foundation in the process of compiling its biennial report on Women, Minorities, and Persons with Disabilities in Science and Engineering.

“(b) REVIEW OF INFORMATION.—The Commission shall review any information provided under subsection (a) and shall include in the report required under section 8—

“(1) recommendations on how to correct any deficiencies in the collection of the types of information described in that subsection, and in the analysis of such data, which might impede the characterization of the factors which affect the attraction and retention of women, minorities, and individuals with disabilities in the fields of science, engineering, and technology development; and

“(2) an assessment of the biennial report of the National Science Foundation on Women, Minorities, and Persons with Disabilities in Science and Engineering, and recommendations on how that report could be improved.

“SEC. 12. DEFINITION OF STATE.

“In this Act, the term ‘State’ includes the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, American Samoa, Guam, the Virgin Islands, and any other territory or possession of the United States.

“SEC. 13. AUTHORIZATION OF APPROPRIATIONS.

“There are authorized to be appropriated to carry out this Act—

“(1) \$400,000 for fiscal year 1999; and

“(2) \$400,000 for fiscal year 2000.”

TASK FORCE ON WOMEN, MINORITIES, AND THE HANDICAPPED IN SCIENCE AND TECHNOLOGY

Pub. L. 99-383, § 8, Aug. 21, 1986, 100 Stat. 815, provided that:

“(a) It is the purpose of this section to establish a task force on women, minorities, and the handicapped in science and technology to—

“(1) examine the current status of women, minorities, and the handicapped in science and engineering positions in the Federal Government and in federally assisted research programs;

“(2) coordinate existing Federal programs designed to promote the employment of women, minorities, and the handicapped in such positions;

“(3) suggest cooperative interagency programs for promoting such employment;

“(4) identify exemplary State, local, or private sector programs designed to promote such employment; and

“(5) develop a long-range plan to advance opportunities for women, minorities, and the handicapped in Federal scientific and technical positions in federally assisted research, and to coordinate the activities of participating agencies with the Committee on Equal Opportunities in Science and Engineering established by section 36 of the National Science Foundation Authorization and Science and Technology Equal Opportunities Act [now the National Science Foundation Authorization and Science and Engineering Equal Opportunities Act] (42 U.S.C. 1885c), after the termination of the task force established by this section.

“(b) For purposes of this section, the term ‘participating agency’ means—

“(1) the National Science Foundation;

“(2) the Department of Health and Human Services;

“(3) the National Aeronautics and Space Administration;

“(4) the Environmental Protection Agency;

“(5) the Department of Agriculture;

“(6) the Department of Defense;

“(7) the Department of Education;

“(8) the Department of Energy;

“(9) the Department of Commerce; and

“(10) the Department of the Interior.

“(c)(1) The task force on women, minorities, and the handicapped in science and technology shall be composed of individuals appointed by participating agencies pursuant to this subsection.

“(2) The head of each participating agency shall appoint two individuals to serve as members of the task force. If an appointed member is unable to serve for the duration of the task force, the head of the participating agency who appointed that member shall appoint another individual to fill the vacancy.

“(3) Task force members may be appointed from private business, academia, professional associations, or nonprofit foundations.

“(d) The task force shall prepare and submit a report on its findings and recommendations to the President, the Congress, and the head of each participating agency not later than December 31, 1989.

“(e) The Office of Science and Technology Policy shall call the first meeting of the task force not later than 90 days after the date of enactment of this Act [Aug. 21, 1986], shall ensure that each participating agency has appointed two members, and shall assist the task force to meet its objectives.

“(f)(1) Members of the task force not otherwise employed by the Federal Government shall be reimbursed for travel, subsistence, and other necessary expenses incurred by them in carrying out the duties of the task force.

“(2) The Director of the National Science Foundation shall make provision for administrative support of the task force, and may enter into agreements with the heads of other participating agencies to facilitate the work of the task force.

“(g) The task force shall terminate on January 31, 1990.”

§ 1885b. Participation in science and engineering of minorities and persons with disabilities

(a) The Foundation is authorized (1) to undertake or support a comprehensive science and en-

gineering education program to increase the participation of minorities in science and engineering, and (2) to support activities to initiate research at minority institutions.

(b) The Foundation is authorized to undertake or support programs and activities to encourage the participation of persons with disabilities in the science and engineering professions.

CODIFICATION

Section was enacted as part of the Science and Engineering Equal Opportunities Act, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

AMENDMENTS

1998—Pub. L. 105-207, §202(d)(1)(A), substituted section catchline for former section catchline.

Subsec. (b). Pub. L. 105-207, §202(d)(1)(B), added subsec. (b) and struck out former subsec. (b), which read as follows: “By September 30, 1981, the Director, with the advice and assistance of the Committee on Equal Opportunities in Science and Technology established in section 1885c of this title, shall prepare and transmit to the Committee on Labor and Human Resources of the Senate and the Committee on Science and Technology of the House of Representatives a report proposing a comprehensive and continuing program at the Foundation to promote the full participation of minorities in science and engineering. Such report shall contain budgetary and legislative recommendations for the carrying out of such program by the Foundation.”

1985—Subsec. (a). Pub. L. 99-159, §111(b)(7), substituted “science and engineering education” for “science education” and “engineering” for “technology”.

Subsec. (b). Pub. L. 99-159, §111(b)(7)(B), substituted “engineering” for “technology”.

§ 1885c. Committee on Equal Opportunities in Science and Engineering

(a) Establishment; purposes

There is established within the Foundation a Committee on Equal Opportunities in Science and Engineering (hereinafter referred to as the “Committee”). The Committee shall provide advice to the Foundation concerning (1) the implementation of the provisions of sections 1885 to 1885d of this title and (2) other policies and activities of the Foundation to encourage full participation of women, minorities, and persons with disabilities in scientific, engineering, and professional fields.

(b) Membership; Chairperson; term of members

Each member of the Committee shall be appointed by the Director. In addition, the Chairman of the National Science Board may designate a member of the Board as a member of the Committee. Members of the Committee shall be appointed to serve for a three-year term, and may be reappointed to serve one additional term of three years.

(c) Responsibilities of Committee

The Committee shall be responsible for reviewing and evaluating all Foundation matters relating to opportunities for the participation in, and the advancement of, women, minorities,

and persons with disabilities in education, training, and science and engineering research programs.

(d) Standing or ad hoc subcommittees

The Committee may organize such standing or ad hoc subcommittees as the Committee finds appropriate.

(e) Biennial report

Every two years, the Committee shall prepare and transmit to the Director a report on its activities during the previous two years and proposed activities for the next two years. The Director shall transmit to Congress the report, unaltered, together with such comments as the Director deems appropriate.
