

(i) the revisions to the principles and guidelines for use by the Secretary; and

(ii) an explanation of the intent of each revision, how each revision is consistent with this section, and the probable impact of each revision on water resources projects carried out by the Secretary; and

(B) make the revisions to the principles and guidelines for use by the Secretary available to the public, including on the Internet.

**(6) Effect**

Subject to the requirements of this subsection, the principles and guidelines as revised under this subsection shall apply to water resources projects carried out by the Secretary instead of the principles and guidelines for such projects in effect on the day before November 8, 2007.

**(7) Applicability**

After the date of issuance of the revisions to the principles and guidelines, the revisions shall apply—

(A) to all water resources projects carried out by the Secretary, other than projects for which the Secretary has commenced a feasibility study before the date of such issuance;

(B) at the request of a non-Federal interest, to a water resources project for which the Secretary has commenced a feasibility study before the date of such issuance; and

(C) to the reevaluation or modification of a water resources project, other than a reevaluation or modification that has been commenced by the Secretary before the date of such issuance.

**(8) Existing studies**

Revisions to the principles and guidelines issued under paragraph (2) shall not affect the validity of any completed study of a water resources project.

**(9) Recommendation**

Upon completion of the revisions to the principles and guidelines for use by the Secretary, the Secretary shall make a recommendation to Congress as to the advisability of repealing subsections (a) and (b) of section 1962d-17 of this title.

CODIFICATION

Section was enacted as part of the Water Resources Development Act of 2007, and not as part of the Water Resources Planning Act which comprises this chapter.

“SECRETARY” DEFINED

Secretary means the Secretary of the Army, see section 2 of Pub. L. 110-114, set out as a note under section 2201 of Title 33, Navigation and Navigable Waters.

SUBCHAPTER I—WATER RESOURCES  
COUNCIL

**§ 1962a. Establishment; composition; other Federal agency participation; designation of Chairman**

There is hereby established a Water Resources Council (hereinafter referred to as the “Coun-

cil”) which shall be composed of the Secretary of the Interior, the Secretary of Agriculture, the Secretary of the Army, the Secretary of Commerce, the Secretary of Housing and Urban Development, the Secretary of Transportation, the Administrator of the Environmental Protection Agency, and the Secretary of Energy. The Chairman of the Council shall request the heads of other Federal agencies to participate with the Council when matters affecting their responsibilities are considered by the Council. The Chairman of the Council shall be designated by the President.

(Pub. L. 89-80, title I, § 101, July 22, 1965, 79 Stat. 245; Pub. L. 94-112, § 1(a), Oct. 16, 1975, 89 Stat. 575; Pub. L. 95-91, title III, § 301(b), title VII, §§ 703, 707, Aug. 4, 1977, 91 Stat. 578, 606, 607.)

AMENDMENTS

1975—Pub. L. 94-112 included in the membership of the Water Resources Council, the Secretaries of Commerce, Housing and Urban Development, and Transportation and the Administrator of the Environmental Protection Agency, and terminated the membership for the Secretary of Health, Education, and Welfare.

TRANSFER OF FUNCTIONS

“Secretary of Energy” substituted for “Chairman of the Federal Power Commission” in text pursuant to sections 301(b), 703, and 707 of Pub. L. 95-91, which are classified to sections 7151(b), 7293, and 7297 of this title, and which terminated Federal Power Commission and transferred its functions and functions of Chairman thereof (with certain exceptions) to Secretary of Energy.

NATIONAL WATER COMMISSION

Pub. L. 90-515, Sept. 26, 1968, 82 Stat. 868, provided for establishment of National Water Commission, its membership, chairman, compensation, powers, duties, and functions, required Commission to review national water resource problems and submit interim and final reports, and provided that Commission terminate no later than five years from Sept. 26, 1968.

**§ 1962a-1. Powers and duties**

The Council shall—

(a) maintain a continuing study and prepare an assessment biennially, or at such less frequent intervals as the Council may determine, of the adequacy of supplies of water necessary to meet the water requirements in each water resource region in the United States and the national interest therein; and

(b) maintain a continuing study of the relation of regional or river basin plans and programs to the requirements of larger regions of the Nation and of the adequacy of administrative and statutory means for the coordination of the water and related land resources policies and programs of the several Federal agencies; it shall appraise the adequacy of existing and proposed policies and programs to meet such requirements; and it shall make recommendations to the President with respect to Federal policies and programs.

(Pub. L. 89-80, title I, § 102, July 22, 1965, 79 Stat. 245.)

**§ 1962a-2. Principles, standards, and procedures for Federal projects**

**(a) Establishment, consultation, revision**

The Council shall establish, after such consultation with other interested entities, both

Federal and non-Federal, as the Council may find appropriate, and with the approval of the President, principles, standards, and procedures for Federal participants in the preparation of comprehensive regional or river basin plans and for the formulation and evaluation of Federal water and related land resources projects. Such procedures may include provision for Council revision of plans for Federal projects intended to be proposed in any plan or revision thereof being prepared by a river basin planning commission.

**(b) Economic evaluation; primary criterion**

The Council shall develop standards and criteria for economic evaluation of water resource projects. For the purpose of those standards and criteria, the primary direct navigation benefits of a water resource project are defined as the product of the savings to shippers using the waterway and the estimated traffic that would use the waterway. "Savings to shippers" means the difference between (1) the freight rates or charges prevailing at the time of the study for the movement by the alternative means, and (2) those which would be charged on the proposed waterway. Estimated traffic that would use the waterway will be based on those freight rates, taking into account projections of the economic growth of the area.

AMENDMENTS

1983—Pub. L. 97-449 designated existing provisions as subsec. (a) and added subsec. (b).

DELEGATION OF FUNCTIONS

Functions of President under this section delegated to Chairman of Water Resources Council, see Ex. Ord. No. 11747, eff. Nov. 7, 1973, 38 F.R. 30993, as amended, set out as a note under section 1962a-3 of this title.

COMPUTATION OF PRICES FOR AGRICULTURAL COMMODITIES FOR USE IN EVALUATION OF WATER RESOURCES DEVELOPMENT PROJECTS

Pub. L. 100-460, title VI, §632, Oct. 1, 1988, 102 Stat. 2262, provided that: "Hereafter, none of the funds appropriated in this or any other Act shall be used to alter the method of computing normalized prices for agricultural commodities for use by any Federal agency in evaluating water resources development projects to be undertaken in whole or in part with Federal funds that was in effect as of January 1, 1986."

Similar provisions were contained in Pub. L. 100-202, §101(k) [title VI, §634], Dec. 22, 1987, 101 Stat. 1329-322, 1329-357.

**§ 1962a-3. Review of river basin commission plans; report to President and Congress**

Upon receipt of a plan or revision thereof from any river basin commission under the provisions of section 1962b-3(3) of this title, the Council shall review the plan or revision with special regard to—

(1) the efficacy of such plan or revision in achieving optimum use of the water and related land resources in the area involved;

(2) the effect of the plan on the achievement of other programs for the development of agricultural, urban, energy, industrial, recreational, fish and wildlife, and other resources of the entire Nation; and

(3) the contributions which such plan or revision will make in obtaining the Nation's economic and social goals.

Based on such review the Council shall—

(a) formulate such recommendations as it deems desirable in the national interest; and

(b) transmit its recommendations, together with the plan or revision of the river basin commission and the views, comments, and recommendations with respect to such plan or revision submitted by any Federal agency, Governor, interstate commission, or United States section of an international commission, to the President for his review and transmittal to the Congress with his recommendations in regard to authorization of Federal projects.
