§ 4367. Reporting requirements of financial interests of officers and employees of Environmental Protection Agency

(a) Covered officers and employees

Each officer or employee of the Environmental Protection Agency who—

(1) performs any function or duty under this Act; and

(2) has any known financial interest in any person who applies for or receives grants, contracts, or other forms of financial assistance under this Act,

shall, beginning on February 1, 1978, annually file with the Administrator a written statement concerning all such interests held by such officer or employee during the preceding calendar year. Such statement shall be available to the public.

(b) Implementation of requirements by Administrator

The Administrator shall—

(1) act within ninety days after November 8, 1977—

(A) to define the term "known financial interest" for purposes of subsection (a) of this section; and

(B) to establish the methods by which the requirement to file written statements specified in subsection (a) of this section will be monitored and enforced, including appropriate provision for the filing by such officers and employees of such statements and the review by the Administrator of such statements; and

(2) Omitted.

(c) Exemption of positions by Administrator

In the rules prescribed under subsection (b) of this section, the Administrator may identify specific positions of a nonpolicymaking nature within the Administration and provide that officers or employees occupying such positions shall be exempt from the requirements of this section.

(d) Violations; penalties

Any officer or employee who is subject to, and knowingly violates, this section, shall be fined not more than \$2,500 or imprisoned not more than one year, or both.

§ 4368. Grants to qualified citizens groups

(1) There is authorized to be appropriated to the Environmental Protection Agency, for grants to qualified citizens groups in States and regions, \$3,000,000.

(2) Grants under this section may be made for the purpose of supporting and encouraging participation by qualified citizens groups in determining how scientific, technological, and social trends and changes affect the future environment and quality of life of an area, and for setting goals and identifying measures for improvement.

(3) The term "qualified citizens group" shall mean a nonprofit organization of citizens having an area based focus, which is not single-issue oriented and which can demonstrate a prior record of interest and involvement in goal-setting and research concerned with improving the quality of life, including plans to identify, protect and enhance significant natural and cultural resources and the environment.

(4) A citizens group shall be eligible for assistance only if certified by the Governor in consultation with the State legislature as a bona-fide organization entitled to receive Federal assistance to pursue the aims of this program. The group shall further demonstrate its capacity to employ usefully the funds for the purposes of this program and its broad-based representative nature.

(5) After an initial application for assistance under this section has been approved, the Administrator may make grants on an annual basis, on condition that the Governor recertify the group and that the applicant submits to the Administrator annually—

(A) an evaluation of the progress made during the previous year in meeting the objectives for which the grant was made;

(B) a description of any changes in the objectives of the activities; and

(C) a description of the proposed activities for the succeeding one year period.

(6) A grant made under this program shall not exceed 75 per centum of the estimated cost of the project or program for which the grant is made, and no group shall receive more than \$50,000 in any one year.

(7) No financial assistance provided under this section shall be used to support lobbying or litigation by any recipient group.

§ 4368a. Utilization of talents of older Americans in projects of pollution prevention, abatement, and control

(a) Technical assistance to environmental agencies

Notwithstanding any other provision of law relating to Federal grants and cooperative agreements, the Administrator of the Environmental Protection Agency is authorized to make grants to, or enter into cooperative agreements with, private nonprofit organizations designated by the Secretary of Labor under title V of the Older Americans Act of 1965 [42 U.S.C. 3056 et seq.] to utilize the talents of older Americans in programs authorized by other provisions of law administered by the Administrator (and consistent with such provisions of law) in providing technical assistance to Federal, State, and local environmental agencies for projects of pollution prevention, abatement, and control. Funding for such grants or agreements may be made available from such programs or through title V of the Older Americans Act of 1965 and subtitle D of title I of the Workforce Investment Act of 1998 [29 U.S.C. 2911 et seq.].

(b) Pre-award certifications

Prior to awarding any grant or agreement under subsection (a) of this section, the applicable Federal, State, or local environmental agency shall certify to the Administrator that such grants or agreements will not—

(1) result in the displacement of individuals currently employed by the environmental agency concerned (including partial displacement through reduction of nonovertime hours, wages, or employment benefits);

(2) result in the employment of any individual when any other person is in a layoff status from the same or substantially equivalent job within the jurisdiction of the environmental agency concerned; or

(3) affect existing contracts for services.

(c) Prior appropriation Acts

Grants or agreements awarded under this section shall be subject to prior appropriation Acts.
