§ 4541. Congressional findings and declaration of purpose

(a) The Congress finds that—

(1) alcohol is one of the most dangerous drugs and the drug most frequently abused in the United States;

(2) approximately ten million, or 7 percent, of the adults in the United States are alcoholics or problem drinkers;

(3) it is estimated that alcoholism and other alcohol related problems cost the United States over \$43,000,000,000 annually in lost production, medical and public assistance expenditures, police and court costs, and motor vehicle and other accidents;

(4) alcohol abuse is found with increasing frequency among persons who are multiple-drug abusers and among former heroin users who are being treated in methadone maintenance programs;

(5) alcohol abuse is being discovered among growing numbers of youth;

(6) alcohol abuse and alcoholism have a substantial impact on the families of alcohol abusers and alcoholics and contributes to domestic violence;

(7) alcohol abuse and alcoholism, together with abuse of other legal and illegal drugs, present a need for prevention and intervention programs designed to reach the general popu-
