

**(b) Authorization of appropriations**

There are authorized to be appropriated to carry out this section such sums as may be necessary for each of the fiscal years 2001 through 2005.

(July 1, 1944, ch. 373, title III, § 399Y, as added Pub. L. 106-310, div. A, title XXIV, § 2401, Oct. 17, 2000, 114 Stat. 1160.)

**§ 280h-3. Health professional education and training****(a) In general**

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, in collaboration with the Administrator of the Health Resources and Services Administration and the heads of other agencies, and in consultation with appropriate health professional associations, shall develop and carry out a program to educate and train health professionals in effective strategies to—

(1) better identify and assess patients with obesity or an eating disorder or patients at-risk of becoming obese or developing an eating disorder;

(2) counsel, refer, or treat patients with obesity or an eating disorder; and

(3) educate patients and their families about effective strategies to improve dietary habits and establish appropriate levels of physical activity.

**(b) Authorization of appropriations**

There are authorized to be appropriated to carry out this section such sums as may be necessary for each of the fiscal years 2001 through 2005.

(July 1, 1944, ch. 373, title III, § 399Z, as added Pub. L. 106-310, div. A, title XXIV, § 2401, Oct. 17, 2000, 114 Stat. 1160.)

**§ 280h-4. Grants for the establishment of school-based health centers****(1) Program**

The Secretary of Health and Human Services (in this section referred to as the “Secretary”) shall establish a program to award grants to eligible entities to support the operation of school-based health centers.

**(2) Eligibility**

To be eligible for a grant under this section, an entity shall—

(A) be a school-based health center or a sponsoring facility of a school-based health center; and

(B) submit an application at such time, in such manner, and containing such information as the Secretary may require, including at a minimum an assurance that funds awarded under the grant shall not be used to provide any service that is not authorized or allowed by Federal, State, or local law.

**(3) Preference**

In awarding grants under this section,<sup>1</sup> the Secretary shall give preference to awarding

grants for school-based health centers that serve a large population of children eligible for medical assistance under the State Medicaid plan under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] or under a waiver of such plan or children eligible for child health assistance under the State child health plan under title XXI of that Act (42 U.S.C. 1397aa et seq.).

**(4) Limitation on use of funds**

An eligible entity shall use funds provided under a grant awarded under this section only for expenditures for facilities (including the acquisition or improvement of land, or the acquisition, construction, expansion, replacement, or other improvement of any building or other facility), equipment, or similar expenditures, as specified by the Secretary. No funds provided under a grant awarded under this section<sup>1</sup> shall be used for expenditures for personnel or to provide health services.

**(5) Appropriations**

Out of any funds in the Treasury not otherwise appropriated, there is appropriated for each of fiscal years 2010 through 2013, \$50,000,000 for the purpose of carrying out this section. Funds appropriated under this paragraph shall remain available until expended.

**(6) Definitions**

In this section, the terms “school-based health center” and “sponsoring facility” have the meanings given those terms in section 2110(c)(9) of the Social Security Act (42 U.S.C. 1397jj(c)(9)). (Pub. L. 111-148, title IV, § 4101(a), Mar. 23, 2010, 124 Stat. 546.)

## REFERENCES IN TEXT

This section, referred to in par. (3) and in par. (4) the second place it appears, was in the original “this section”, meaning section 4101 of Pub. L. 111-148, which enacted this section and section 280h-5 of this title.

The Social Security Act, referred to in par. (3), is act Aug. 14, 1935, ch. 531, 49 Stat. 620. Titles XIX and XXI of the Act are classified generally to subchapters XIX (§ 1396 et seq.) and XXI (§ 1397aa et seq.), respectively, of chapter 7 of this title. For complete classification of this Act to the Code, see section 1305 of this title and Tables.

## CODIFICATION

Section was enacted as part of the Patient Protection and Affordable Care Act, and not as part of the Public Health Service Act which comprises this chapter.

**§ 280h-5. School-based health centers****(a) Definitions; establishment of criteria**

In this section:

**(1) Comprehensive primary health services**

The term “comprehensive primary health services” means the core services offered by school-based health centers, which shall include the following:

**(A) Physical**

Comprehensive health assessments, diagnosis, and treatment of minor, acute, and chronic medical conditions, and referrals to, and follow-up for, specialty care and oral and vision health services.

**(B) Mental health**

Mental health and substance use disorder assessments, crisis intervention, counseling,

<sup>1</sup> See References in Text note below.

treatment, and referral to a continuum of services including emergency psychiatric care, community support programs, inpatient care, and outpatient programs.

**(2) Medically underserved children and adolescents**

**(A) In general**

The term “medically underserved children and adolescents” means a population of children and adolescents who are residents of an area designated as a medically underserved area or a health professional shortage area by the Secretary.

**(B) Criteria**

The Secretary shall prescribe criteria for determining the specific shortages of personal health services for medically underserved children and adolescents under subparagraph (A) that shall—

(i) take into account any comments received by the Secretary from the chief executive officer of a State and local officials in a State; and

(ii) include factors indicative of the health status of such children and adolescents of an area, including the ability of the residents of such area to pay for health services, the accessibility of such services, the availability of health professionals to such children and adolescents, and other factors as determined appropriate by the Secretary.

**(3) School-based health center**

The term “school-based health center” means a health clinic that—

(A) meets the definition of a school-based health center under section 1397jj(c)(9)(A) of this title and is administered by a sponsoring facility (as defined in section 1397jj(c)(9)(B) of this title);

(B) provides, at a minimum, comprehensive primary health services during school hours to children and adolescents by health professionals in accordance with established standards, community practice, reporting laws, and other State laws, including parental consent and notification laws that are not inconsistent with Federal law; and

(C) does not perform abortion services.

**(b) Authority to award grants**

The Secretary shall award grants for the costs of the operation of school-based health centers (referred to in this section as “SBHCs”) that meet the requirements of this section.

**(c) Applications**

To be eligible to receive a grant under this section, an entity shall—

(1) be an SBHC (as defined in subsection (a)(3)); and

(2) submit to the Secretary an application at such time, in such manner, and containing—

(A) evidence that the applicant meets all criteria necessary to be designated an SBHC;

(B) evidence of local need for the services to be provided by the SBHC;

(C) an assurance that—

(i) SBHC services will be provided to those children and adolescents for whom

parental or guardian consent has been obtained in cooperation with Federal, State, and local laws governing health care service provision to children and adolescents;

(ii) the SBHC has made and will continue to make every reasonable effort to establish and maintain collaborative relationships with other health care providers in the catchment area of the SBHC;

(iii) the SBHC will provide on-site access during the academic day when school is in session and 24-hour coverage through an on-call system and through its backup health providers to ensure access to services on a year-round basis when the school or the SBHC is closed;

(iv) the SBHC will be integrated into the school environment and will coordinate health services with school personnel, such as administrators, teachers, nurses, counselors, and support personnel, as well as with other community providers co-located at the school;

(v) the SBHC sponsoring facility assumes all responsibility for the SBHC administration, operations, and oversight; and

(vi) the SBHC will comply with Federal, State, and local laws concerning patient privacy and student records, including regulations promulgated under the Health Insurance Portability and Accountability Act of 1996 and section 1232g of title 20; and

(D) such other information as the Secretary may require.

**(d) Preferences and consideration**

In reviewing applications:

(1) The Secretary may give preference to applicants who demonstrate an ability to serve the following:

(A) Communities that have evidenced barriers to primary health care and mental health and substance use disorder prevention services for children and adolescents.

(B) Communities with high per capita numbers of children and adolescents who are uninsured, underinsured, or enrolled in public health insurance programs.

(C) Populations of children and adolescents that have historically demonstrated difficulty in accessing health and mental health and substance use disorder prevention services.

(2) The Secretary may give consideration to whether an applicant has received a grant under section 280h-4 of this title.

**(e) Waiver of requirements**

The Secretary may—

(1) under appropriate circumstances, waive the application of all or part of the requirements of this subsection with respect to an SBHC for not to exceed 2 years; and

(2) upon a showing of good cause, waive the requirement that the SBHC provide all required comprehensive primary health services for a designated period of time to be determined by the Secretary.

**(f) Use of funds**

**(1) Funds**

Funds awarded under a grant under this section—

(A) may be used for—

(i) acquiring and leasing equipment (including the costs of amortizing the principle of, and paying interest on, loans for such equipment);

(ii) providing training related to the provision of required comprehensive primary health services and additional health services;

(iii) the management and operation of health center programs;

(iv) the payment of salaries for physicians, nurses, and other personnel of the SBHC; and

(B) may not be used to provide abortions.

**(2) Construction**

The Secretary may award grants which may be used to pay the costs associated with expanding and modernizing existing buildings for use as an SBHC, including the purchase of trailers or manufactured buildings to install on the school property.

**(3) Limitations**

**(A) In general**

Any provider of services that is determined by a State to be in violation of a State law described in subsection (a)(3)(B) with respect to activities carried out at a<sup>1</sup> SBHC shall not be eligible to receive additional funding under this section.

**(B) No overlapping grant period**

No entity that has received funding under section 254b of this title for a grant period shall be eligible for a grant under this section for with respect to<sup>1</sup> the same grant period.

**(g) Matching requirement**

**(1) In general**

Each eligible entity that receives a grant under this section shall provide, from non-Federal sources, an amount equal to 20 percent of the amount of the grant (which may be provided in cash or in-kind) to carry out the activities supported by the grant.

**(2) Waiver**

The Secretary may waive all or part of the matching requirement described in paragraph (1) for any fiscal year for the SBHC if the Secretary determines that applying the matching requirement to the SBHC would result in serious hardship or an inability to carry out the purposes of this section.

**(h) Supplement, not supplant**

Grant funds provided under this section shall be used to supplement, not supplant, other Federal or State funds.

**(i) Evaluation**

The Secretary shall develop and implement a plan for evaluating SBHCs and monitoring quality performance under the awards made under this section.

**(j) Age appropriate services**

An eligible entity receiving funds under this section shall only provide age appropriate serv-

ices through a<sup>1</sup> SBHC funded under this section to an individual.

**(k) Parental consent**

An eligible entity receiving funds under this section shall not provide services through a<sup>1</sup> SBHC funded under this section to an individual without the consent of the parent or guardian of such individual if such individual is considered a minor under applicable State law.

**(l) Authorization of appropriations**

For purposes of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2010 through 2014.

PART R—PROGRAMS RELATING TO AUTISM

**§ 280i. Developmental disabilities surveillance and research program**

**(a) Autism spectrum disorder and other developmental disabilities**

**(1) In general**

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may award grants or cooperative agreements to eligible entities for the collection, analysis, and reporting of State epidemiological data on autism spectrum disorder and other developmental disabilities. An eligible entity shall assist with the development and coordination of State autism spectrum disorder and other developmental disability surveillance efforts within a region. In making such awards, the Secretary may provide direct technical assistance in lieu of cash.

**(2) Data standards**

In submitting epidemiological data to the Secretary pursuant to paragraph (1), an eligible entity shall report data according to guidelines prescribed by the Director of the Centers for Disease Control and Prevention, after consultation with relevant State and local public health officials, private sector developmental disability researchers, and advocates for individuals with autism spectrum disorder or other developmental disabilities.

**(3) Eligibility**

To be eligible to receive an award under paragraph (1), an entity shall be a public or nonprofit private entity (including a health department of a State or a political subdivision of a State, a university, or any other educational institution), and submit to the Sec-

<sup>1</sup> So in original.
