

any drinking water cooler listed under subsection (a) of this section or any other drinking water cooler which is not lead free, including a lead-lined drinking water cooler.

**(c) Criminal penalty**

Any person who knowingly violates the prohibition contained in subsection (b) of this section shall be imprisoned for not more than 5 years, or fined in accordance with title 18, or both.

**(d) Civil penalty**

The Administrator may bring a civil action in the appropriate United States District Court (as determined under the provisions of title 28) to impose a civil penalty on any person who violates subsection (b) of this section. In any such action the court may impose on such person a civil penalty of not more than \$5,000 (\$50,000 in the case of a second or subsequent violation).

(July 1, 1944, ch. 373, title XIV, §1463, as added Pub. L. 100-572, §2(a), Oct. 31, 1988, 102 Stat. 2885; amended Pub. L. 104-182, title V, §501(f)(9), Aug. 6, 1996, 110 Stat. 1692.)

AMENDMENTS

1996—Pub. L. 104-182 made technical amendment to section catchline and subsec. (a) designation.

**§ 300j-24. Lead contamination in school drinking water**

**(a) Distribution of drinking water cooler list**

Within 100 days after October 31, 1988, the Administrator shall distribute to the States a list of each brand and model of drinking water cooler identified and listed by the Administrator under section 300j-23(a) of this title.

**(b) Guidance document and testing protocol**

The Administrator shall publish a guidance document and a testing protocol to assist schools in determining the source and degree of lead contamination in school drinking water supplies and in remedying such contamination. The guidance document shall include guidelines for sample preservation. The guidance document shall also include guidance to assist States, schools, and the general public in ascertaining the levels of lead contamination in drinking water coolers and in taking appropriate action to reduce or eliminate such contamination. The guidance document shall contain a testing protocol for the identification of drinking water coolers which contribute to lead contamination in drinking water. Such document and protocol may be revised, republished and redistributed as the Administrator deems necessary. The Administrator shall distribute the guidance document and testing protocol to the States within 100 days after October 31, 1988.

**(c) Dissemination to schools, etc.**

Each State shall provide for the dissemination to local educational agencies, private nonprofit elementary or secondary schools and to day care centers of the guidance document and testing protocol published under subsection (b) of this section, together with the list of drinking water coolers published under section 300j-23(a) of this title.

**(d) Remedial action program**

**(1) Testing and remedying lead contamination**

Within 9 months after October 31, 1988, each State shall establish a program, consistent with this section, to assist local educational agencies in testing for, and remedying, lead contamination in drinking water from coolers and from other sources of lead contamination at schools under the jurisdiction of such agencies.

**(2) Public availability**

A copy of the results of any testing under paragraph (1) shall be available in the administrative offices of the local educational agency for inspection by the public, including teachers, other school personnel, and parents. The local educational agency shall notify parent, teacher, and employee organizations of the availability of such testing results.

**(3) Coolers**

In the case of drinking water coolers, such program shall include measures for the reduction or elimination of lead contamination from those water coolers which are not lead free and which are located in schools. Such measures shall be adequate to ensure that within 15 months after October 31, 1988, all such water coolers in schools under the jurisdiction of such agencies are repaired, replaced, permanently removed, or rendered inoperable unless the cooler is tested and found (within the limits of testing accuracy) not to contribute lead to drinking water.

(July 1, 1944, ch. 373, title XIV, §1464, as added Pub. L. 100-572, §2(a), Oct. 31, 1988, 102 Stat. 2886; amended Pub. L. 104-182, title V, §501(f)(10), Aug. 6, 1996, 110 Stat. 1692.)

AMENDMENTS

1996—Pub. L. 104-182 made technical amendment to section catchline and subsec. (a) designation.

**§ 300j-25. Federal assistance for State programs regarding lead contamination in school drinking water**

**(a) School drinking water programs**

The Administrator shall make grants to States to establish and carry out State programs under section 300j-24 of this title to assist local educational agencies in testing for, and remedying, lead contamination in drinking water from drinking water coolers and from other sources of lead contamination at schools under the jurisdiction of such agencies. Such grants may be used by States to reimburse local educational agencies for expenses incurred after October 31, 1988, for such testing and remedial action.

**(b) Limits**

Each grant under this section shall be used by the State for testing water coolers in accordance with section 300j-24 of this title, for testing for lead contamination in other drinking water supplies under section 300j-24 of this title, or for remedial action under State programs under section 300j-24 of this title. Not more than 5 percent of the grant may be used for program administration.

**(c) Authorization of appropriations**

There are authorized to be appropriated to carry out this section not more than \$30,000,000 for fiscal year 1989, \$30,000,000 for fiscal year 1990, and \$30,000,000 for fiscal year 1991.

(July 1, 1944, ch. 373, title XIV, §1465, as added Pub. L. 100-572, §2(a), Oct. 31, 1988, 102 Stat. 2887; amended Pub. L. 104-182, title V, §501(d), (f)(11), Aug. 6, 1996, 110 Stat. 1691, 1692.)

## AMENDMENTS

1996—Pub. L. 104-182, §501(f)(11), made technical amendment to section catchline and subsec. (a) designation.

Subsec. (b). Pub. L. 104-182, §501(d), substituted “by the State” for “as by the State”.

**§ 300j-26. Certification of testing laboratories**

The Administrator of the Environmental Protection Agency shall assure that programs for the certification of testing laboratories which test drinking water supplies for lead contamination certify only those laboratories which provide reliable accurate testing. The Administrator (or the State in the case of a State to which certification authority is delegated under this subsection) shall publish and make available to the public upon request the list of laboratories certified under this subsection.<sup>1</sup>

(Pub. L. 100-572, §4, Oct. 31, 1988, 102 Stat. 2889.)

## CODIFICATION

Section enacted as part of the Lead Contamination Control Act of 1988, and not as part of the Public Health Service Act which comprises this chapter.

## SUBCHAPTER XIII—PREVENTIVE HEALTH MEASURES WITH RESPECT TO BREAST AND CERVICAL CANCERS

**§ 300k. Establishment of program of grants to States****(a) In general**

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may make grants to States on the basis of an established competitive review process for the purpose of carrying out programs—

(1) to screen women for breast and cervical cancer as a preventive health measure;

(2) to provide appropriate referrals for medical treatment of women screened pursuant to paragraph (1) and to ensure, to the extent practicable, the provision of appropriate follow-up services and support services such as case management;

(3) to develop and disseminate public information and education programs for the detection and control of breast and cervical cancer;

(4) to improve the education, training, and skills of health professionals (including allied health professionals) in the detection and control of breast and cervical cancer;

(5) to establish mechanisms through which the States can monitor the quality of screening procedures for breast and cervical cancer, including the interpretation of such procedures; and

(6) to evaluate activities conducted under paragraphs (1) through (5) through appropriate surveillance or program-monitoring activities.

**(b) Grant and contract authority of States****(1) In general**

A State receiving a grant under subsection (a) of this section may, subject to paragraphs (2) and (3), expend the grant to carry out the purpose described in such subsection through grants to public and nonprofit private entities and through contracts with public and private entities.

**(2) Certain applications**

If a nonprofit private entity and a private entity that is not a nonprofit entity both submit applications to a State to receive an award of a grant or contract pursuant to paragraph (1), the State may give priority to the application submitted by the nonprofit private entity in any case in which the State determines that the quality of such application is equivalent to the quality of the application submitted by the other private entity.

**(3) Payments for screenings**

The amount paid by a State to an entity under this subsection for a screening procedure under subsection (a)(1) of this section may not exceed the amount that would be paid under part B of title XVIII of the Social Security Act [42 U.S.C. 1395j et seq.] if payment were made under such part for furnishing the procedure to a woman enrolled under such part.

**(c) Special consideration for certain States**

In making grants under subsection (a) of this section to States whose initial grants under such subsection are made for fiscal year 1995 or any subsequent fiscal year, the Secretary shall give special consideration to any State whose proposal for carrying out programs under such subsection—

(1) has been approved through a process of peer review; and

(2) is made with respect to geographic areas in which there is—

(A) a substantial rate of mortality from breast or cervical cancer; or

(B) a substantial incidence of either of such cancers.

**(d) Coordinating committee regarding year 2020 health objectives**

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall establish a committee to coordinate the activities of the agencies of the Public Health Service (and other appropriate Federal agencies) that are carried out toward achieving the objectives established by the Secretary for reductions in the rate of mortality from breast and cervical cancer in the United States by the year 2020. Such committee shall be comprised of Federal officers or employees designated by the heads of the agencies involved to serve on the committee as representatives of the agencies, and such representatives from other public or private entities as the Secretary determines to be appropriate.

<sup>1</sup> So in original. Probably should be “section.”
