(C) assurances that the applicant will not require, with respect to the provision of services, the permission of the parents or guardians of any pregnant unemancipated minor if such parents or guardians are attempting to compel such minor to have an abortion;

(23) assurances that primary emphasis for services supported under this subchapter shall be given to adolescents seventeen and under who are not able to obtain needed assistance through other means;

(24) assurances that funds received under this subchapter shall supplement and not supplant funds received from any other Federal, State, or local program or any private sources of funds; and

(25) a plan for the conduct of, and assurances that the applicant will conduct, evaluations of the effectiveness of the services supported under this subchapter in accordance with subsection (b) of this section.

(b) Evaluations: amount, conduct, and technical assistance

(1) Each grantee which receives funds for a demonstration project for services under this subchapter shall expend at least 1 per centum but not in excess of 5 per centum of the amounts received under this subchapter for the conduct of evaluations of the services supported under this subchapter. The Secretary may, for a particular grantee upon good cause shown, waive the provisions of the preceding sentence with respect to the amounts to be expended on evaluations, but may not waive the requirement that such evaluations be conducted.

(2) Evaluations required by paragraph (1) shall be conducted by an organization or entity which is independent of the grantee providing services supported under this subchapter. To assist in conducting the evaluations required by paragraph (1), each grantee shall develop a working relationship with a college or university located in the grantee's State which will provide or assist in providing monitoring and evaluation of services supported under this subchapter unless no college or university in the grantee's State is willing or has the capacity to provide or assist in providing such monitoring and assistance.

(3) The Secretary may provide technical assistance with respect to the conduct of evaluations required under this subsection to any grantee which is unable to develop a working relationship with a college or university in the applicant's State for the reasons described in paragraph (2).

(c) Reports

Each grantee which receives funds for a demonstration project for services under this subchapter shall make such reports concerning its use of Federal funds as the Secretary may require. Reports shall include, at such times as are considered appropriate by the Secretary, the results of the evaluations of the services supported under this subchapter.

(d) Notification of parents; "adult" defined

(1) A grantee shall periodically notify the Secretary of the exact number of instances in which a grantee does not notify the parents or guardians of a pregnant unemancipated minor under subsection (a)(22)(B)(iii) of this section.

(2) For purposes of subsection (a)(22)(B)(iii) of this section, the term "adult" means an adult as defined by State law.

(e) Submission of applications to Governor; comments by Governor

Each applicant shall provide the Governor of the State in which the applicant is located a copy of each application submitted to the Secretary for a grant for a demonstration project for services under this subchapter. The Governor shall submit to the applicant comments on any such application within the period of sixty days beginning on the day when the Governor receives such copy. The applicant shall include the comments of the Governor with such application

(f) Availability of core services

No application submitted for a grant for a demonstration project for care services under this subchapter may be approved unless the Secretary is satisfied that core services shall be available through the applicant within a reasonable time after such grant is received.

§ 300z-6. Coordination of programs

- (a) The Secretary shall coordinate Federal policies and programs providing services relating to the prevention of adolescent sexual relations and initial and recurrent adolescent pregnancies and providing care services for pregnant adolescents. In achieving such coordination, the Secretary shall—
 - (1) require grantees who receive funds for demonstration projects for services under this subchapter to report periodically to the Secretary concerning Federal, State, and local policies and programs that interfere with the delivery of and coordination of pregnancy prevention services and other programs of care for pregnant adolescents and adolescent parents;
 - (2) provide technical assistance to facilitate coordination by State and local recipients of Federal assistance:
 - (3) review all programs administered by the Department of Health and Human Services which provide prevention services or care services to determine if the policies of such programs are consistent with the policies of this subchapter, consult with other departments and agencies of the Federal Government who administer programs that provide such services, and encourage such other departments and agencies to make recommendations, as ap-

propriate, for legislation to modify such programs in order to facilitate the use of all Government programs which provide such services as a basis for delivery of more comprehensive prevention services and more comprehensive programs of care for pregnant adolescents and adolescent parents;

- (4) give priority in the provision of funds, where appropriate, to applicants using single or coordinated grant applications for multiple programs; and
- (5) give priority, where appropriate, to the provision of funds under Federal programs administered by the Secretary (other than the program established by this subchapter) to projects providing comprehensive prevention services and comprehensive programs of care for pregnant adolescents and adolescent parents.
- (b) Any recipient of a grant for a demonstration project for services under this subchapter shall coordinate its activities with any other recipient of such a grant which is located in the same locality.

§ 300z-7. Research

(a) Grants and contracts; duration; renewal; amount

- (1) The Secretary may make grants and enter into contracts with public agencies or private organizations or institutions of higher education to support the research and dissemination activities described in paragraphs (4), (5), and (6) of section 300z(b) of this title.
- (2) The Secretary may make grants or enter into contracts under this section for a period of one year. A grant or contract under this section for a project may be renewed for four additional one-year periods, which need not be consecutive.
- (3) A grant or contract for any one-year period under this section may not exceed \$100,000 for the direct costs of conducting research or disemination activities under this section and may include such additional amounts for the indirect costs of conducting such activities as the Secretary determines appropriate. The Secretary may waive the preceding sentence with respect to a specific project if he determines that—
 - (A) exceptional circumstances warrant such waiver and that the project will have national impact: or
 - (B) additional amounts are necessary for the direct costs of conducting limited demonstration projects for the provision of necessary services in order to provide data for research carried out under this subchapter.
- (4) The amount of any grant or contract made under this section may remain available for obligation or expenditure after the close of the one-year period for which such grant or contract is made in order to assist the recipient in preparing the report required by subsection (f)(1) of this section.

(b) Scope of permissible activities

- (1) Funds provided for research under this section may be used for descriptive or explanatory surveys, longitudinal studies, or limited demonstration projects for services that are for the purpose of increasing knowledge and understanding of the matters described in paragraphs (4) and (5) of section 300z(b) of this title.
- (2) Funds provided under this section may not be used for the purchase or improvement of land, or the purchase, construction, or permanent improvement (other than minor remodeling) of any building or facility.

(c) Applications

The Secretary may not make any grant or enter into any contract to support research or dissemination activities under this section unless...

- (1) the Secretary has received an application for such grant or contract which is in such form and which contains such information as the Secretary may by regulation require;
- (2) the applicant has demonstrated that the applicant is capable of conducting one or more of the types of research or dissemination activities described in paragraph (4), (5), or (6) of section 300z(b) of this title; and
- (3) in the case of an application for a research project, the panel established by subsection (e)(2) of this section has determined that the project is of scientific merit.

(d) Coordination with National Institutes of Health

The Secretary shall, where appropriate, coordinate research and dissemination activities carried out under this section with research and dissemination activities carried out by the National Institutes of Health.

(e) Review of applications for grants and contracts; establishment of review panel

- (1) The Secretary shall establish a system for the review of applications for grants and contracts under this section. Such system shall be substantially similar to the system for scientific peer review of the National Institutes of Health and shall meet the requirements of paragraphs (2) and (3).
- (2) In establishing the system required by paragraph (1), the Secretary shall establish a panel to review applications under this section. Not more than 25 per centum of the members of the panel shall be physicians. The panel shall meet as often as may be necessary to facilitate the expeditious review of applications under this section, but not less than once each year. The panel shall review each project for which an application is made under this section, evaluate the scientific merit of the project, determine whether the project is of scientific merit, and make recommendations to the Secretary concerning whether the application for the project should be approved.
- (3) The Secretary shall make grants under this section from among the projects which the panel established by paragraph (2) has determined to be of scientific merit and may only approve an application for a project if the panel has made such determination with respect to such a project. The Secretary shall make a determina-
