§ 1315. Demonstration projects**(a) Waiver of State plan requirements; costs regarded as State plan expenditures; availability of appropriations**

In the case of any experimental, pilot, or demonstration project which, in the judgment of the Secretary, is likely to assist in promoting the objectives of subchapter I, X, XIV, XVI, or XIX of this chapter, or part A or D of subchapter IV of this chapter, in a State or States—

(2)(A) costs of such project which would not otherwise be included as expenditures under section 303, 655, 1203, 1353, 1383, or 1396b of this title, as the case may be, and which are not included as part of the costs of projects under section 1310 of this title, shall, to the extent and for the period prescribed by the Secretary, be regarded as expenditures under the State plan or plans approved under such subchapter, or for administration of such State plan or plans, as may be appropriate, and

In addition, not to exceed \$4,000,000 of the aggregate amount appropriated for payments to States under such subchapters for any fiscal year beginning after June 30, 1967, shall be available, under such terms and conditions as the Secretary may establish, for payments to States to cover so much of the cost of such projects as is not covered by payments under such subchapters and is not included as part of the cost of projects for purposes of section 1310 of this title.

(b) Child support enforcement programs

In the case of any experimental, pilot, or demonstration project undertaken under subsection (a) of this section to assist in promoting the objectives of part D of subchapter IV of this chapter, the project—
