L. 98-369, set out as a note under section 401 of this title.

§ 1320a. Uniform reporting systems for health services facilities and organizations

(a) Establishment; criteria for regulations; requirements for hospitals

For the purposes of reporting the cost of services provided by, of planning, and of measuring and comparing the efficiency of and effective use of services in, hospitals, skilled nursing facilities, intermediate care facilities, home health agencies, health maintenance organizations, and other types of health services facilities and organizations to which payment may be made under this chapter, the Secretary shall establish by regulation, for each such type of health services facility or organization, a uniform system for the reporting by a facility or organization of that type of the following information:

- (1) The aggregate cost of operation and the aggregate volume of services.
- (2) The costs and volume of services for various functional accounts and subaccounts.
- (3) Rates, by category of patient and class of purchaser.
- (4) Capital assets, as defined by the Secretary, including (as appropriate) capital funds, debt service, lease agreements used in lieu of capital funds, and the value of land, facilities, and equipment.
- (5) Discharge and bill data.

The uniform reporting system for a type of health services facility or organization shall provide for appropriate variation in the application of the system to different classes of facilities or organizations within that type and shall be established, to the extent practicable, consistent with the cooperative system for produc-
