

(4) procedures for the coordination among technical assistance programs within any State and for coordination of programs authorized under this part with other State energy conservation programs,¹

(5) a description of the policies and procedures to be followed in the allocation of funds among eligible applicants for technical assistance within such State, including procedures to insure that funds will be allocated among eligible applicants on the basis of relative need and including recommendations as to how priorities should be established between buildings owned by units of local government and public care institutions, and among competing proposals taking into account such factors as cost, energy consumption, and energy savings;

(6) procedures to assure that all grants for technical assistance provided under this part are expended in compliance with the requirements of an approved State plan for such State and in compliance with the requirements of this part (including requirements contained in rules promulgated under this part); and

(7) policies and procedures designed to assure that financial assistance provided under this part in such State will be used to supplement, and not to supplant State, local, or other funds.

(b) Each State plan submitted under this section shall be reviewed and approved or disapproved by the Secretary not later than 60 days after receipt by the Secretary. If such plan meets the requirements of subsection (a) of this section, the Secretary shall approve the plan. If a State plan submitted within the 90 day period specified in subsection (a) of this section has not been disapproved within the 60-day period following its receipt by the Secretary, such plan shall be treated as approved by the Secretary. A State energy agency may submit a new or amended plan at any time after the submission of the original plan if the agency obtains the consent of the Secretary.

AMENDMENTS

1998—Subsec. (a)(1). Pub. L. 105-388 substituted semicolon for comma at end.

Subsec. (a)(2). Pub. L. 105-388, which directed substitution of semicolon for comma at end, could not be executed because comma does not appear at end.

Subsec. (a)(3). Pub. L. 105-388 substituted semicolon for comma at end.

§ 6372d. Applications for grants for technical assistance

(a) Limitation on number of applications by units of local government and public care institutions; submittal to State energy agency

Applications of units of local government and public care institutions for grants for technical assistance under this part shall be made not

more than once for any fiscal year. Such applications shall be submitted to the State energy agency and the State energy agency shall make a single submittal to the Secretary containing all applications which comply with the State plan.

(b) Required information

Applications for grants for technical assistance under this part shall contain or be accompanied by, such information as the Secretary may reasonably require, including the results of energy audits which comply with guidelines under this part. The annual submittal to the Secretary by the State energy agency under subsection (a) of this section shall include a listing and description of technical assistance proposed to be funded under this part within the State during the fiscal year for which such application is made, and such information concerning expenditures as the Secretary may, by rule, require.

(c) Compliance required for approval; reasons for disapproval; resubmittal; amendment

The Secretary shall approve such applications submitted by a State energy agency as he determines to be in compliance with this section and the requirements of the applicable State plan approved under section 6372c of this title. The Secretary shall state the reasons for his disapproval in the case of any application which he disapproves. Any application not approved by the Secretary may be resubmitted by the applicant at any time in the same manner as the original application and the Secretary shall approve such resubmitted application as he determines to be in compliance with this section and the requirements of the State plan. Amendments of an application shall, except as the Secretary may otherwise provide be subject to approval in the same manner as the original application. All or any portions of an application under this section may be disapproved to the extent that funds are not available under this part.

(d) Suspension of further assistance for failure to comply

Whenever the Secretary after reasonable notice and opportunity for hearing to any unit of local government or public care institution receiving assistance under this part, finds that there has been a failure to comply substantially with the provisions set forth in the application approved under this section, the Secretary shall notify the unit of local government or public care institution that further assistance will not be made available to such unit of local government or public care institution under this part until he is satisfied that there is no longer any failure to comply. Until he is so satisfied, no further assistance shall be made to such unit of local government or public care institution under this part.
