ABOLITION OF PRESIDENT'S COMMITTEE ON SCIENCE AND
TECHNOLOGY; TRANSFER OF FUNCTIONS

See note set out under section 6631 of this title.

§ 6635. Staff and consultant support

(a) In the performance of its functions under sections 6633 and 6634 of this title, the Committee is authorized—

(1) to select, appoint, employ, and fix the compensation of such specialists and other experts as may be necessary for the carrying out of its duties and functions, and to select, appoint, and employ, subject to the civil service laws, such other officers and employees as may be necessary for carrying out its duties and functions; and

(2) to provide for participation of such civilian and military personnel as may be detailed to the Committee pursuant to subsection (b) of this section for carrying out the functions of the Committee.

(b) Upon request of the Committee, the head of any Federal department, agency, or instrumentality is authorized (1) to furnish to the Committee such information as may be necessary for carrying out its functions and as may be available to or procurable by such department, agency, or instrumentality, and (2) to detail to temporary duty with the Committee on a reimbursable basis such personnel within his administrative jurisdiction as it may need or believe to be useful for carrying out its functions. Each such detail shall be without loss of seniority, pay, or other employee status, to civilian employees so detailed, and without loss of status, rank, office, or grade, or of any emolument, perquisite, right, privilege, or benefit incident thereto to military personnel so detailed. Each such detail shall be made pursuant to an agreement between the Chairman and the head of the relevant department, agency, or instrumentality, and shall be in accordance with the provisions of subchapter III of chapter 33, title 5.

(Pub. L. 94-282, title III, §305, May 11, 1976, 90 Stat. 470.)

ABOLITION OF PRESIDENT'S COMMITTEE ON SCIENCE AND
TECHNOLOGY; TRANSFER OF FUNCTIONS

See note set out under section 6631 of this title.

SUBCHAPTER IV—FEDERAL COORDINATING
COUNCIL FOR SCIENCE, ENGINEERING,
AND TECHNOLOGY

§ 6651. Establishment, membership, and functions of Council

(a) Designation

There is established the Federal Coordinating Council for Science, Engineering, and Technology (hereinafter referred to as the "Council").

(b) Composition

The Council shall be composed of the Director of the Office of Science and Technology Policy and one representative of each of the following Federal agencies: Department of Agriculture, Department of Commerce, Department of Defense, Department of Health and Human Services, Department of Housing and Urban Development, Department of the Interior, Department of State, Department of Transportation, Department of Veterans Affairs, National Aeronautics and Space Administration, National Science Foundation, Environmental Protection Agency, and Department of Energy. Each such representative shall be an official of policy rank designated by the head of the Federal agency concerned.

(c) Chairman

The Director of the Office of Science and Technology Policy shall serve as Chairman of the Council. The Chairman may designate another member of the Council to act temporarily in the Chairman's absence as Chairman.

(d) Participation of unnamed Federal agencies in meetings; invitations to attend meetings

The Chairman may (1) request the head of any Federal agency not named in subsection (b) of this section to designate a representative to participate in meetings or parts of meetings of the Council concerned with matters of substantial interest to such agency, and (2) invite other persons to attend meetings of the Council.

(e) Consideration of problems and developments affecting more than one Federal agency; recommendations

The Council shall consider problems and developments in the fields of science, engineering, and technology and related activities affecting more than one Federal agency, and shall recommend policies and other measures designed to—

(1) provide more effective planning and administration of Federal scientific, engineering, and technological programs,

(2) identify research needs including areas requiring additional emphasis,

(3) achieve more effective utilization of the scientific, engineering, and technological resources and facilities of Federal agencies, including the elimination of unwarranted duplication, and

(4) further international cooperation in science, engineering, and technology.

(f) Other advisory duties

The Council shall perform such other related advisory duties as shall be assigned by the President or by the Chairman.
