

the construction, operation, and maintenance by the Secretary of the Interior of the Canadian River reclamation project, Texas', approved December 29, 1950 (ch. 1183; 64 Stat. 1124) [enacting this section, section 600c of this title, and provisions set out as a note above].

“(3) The term ‘Project’ means all of the right, title and interest in and to all land and improvements comprising the pipeline and related facilities of the Canadian River Project authorized by the Canadian River Project Authorization Act.

“(4) The term ‘Secretary’ means the Secretary of the Interior.

“SEC. 3. PREPAYMENT AND CONVEYANCE OF PROJECT.

“(a) IN GENERAL.—(1) In consideration of the Authority accepting the obligation of the Federal Government for the Project and subject to the payment by the Authority of the applicable amount under paragraph (2) within the 360-day period beginning on the date of the enactment of this Act [Oct. 30, 1998], the Secretary shall convey the Project to the Authority, as provided in section 2(c)(3) of the Canadian River Project Authorization Act (64 Stat. 1124) [section 600c(c)(3) of this title].

“(2) For purposes of paragraph (1), the applicable amount shall be—

“(A) \$34,806,731, if payment is made by the Authority within the 270-day period beginning on the date of the enactment of this Act; or

“(B) the amount specified in subparagraph (A) adjusted to include interest on that amount since the date of the enactment of this Act at the appropriate Treasury bill rate for an equivalent term, if payment is made by the Authority after the period referred to in subparagraph (A).

“(3) If payment under paragraph (1) is not made by the Authority within the period specified in paragraph (1), this Act shall have no force or effect.

“(b) FINANCING.—Nothing in this Act shall be construed to affect the right of the Authority to use a particular type of financing.

“SEC. 4. RELATIONSHIP TO EXISTING OPERATIONS.

“(a) IN GENERAL.—Nothing in this Act shall be construed as significantly expanding or otherwise changing the use or operation of the Project from its current use and operation.

“(b) FUTURE ALTERATIONS.—If the Authority alters the operations or uses of the Project it shall comply with all applicable laws or regulations governing such alteration at that time.

“(c) RECREATION.—The Secretary of the Interior, acting through the National Park Service, shall continue to operate the Lake Meredith National Recreation Area at Lake Meredith.

“(d) FLOOD CONTROL.—The Secretary of the Army, acting through the Corps of Engineers, shall continue to prescribe regulations for the use of storage allocated to flood control at Lake Meredith as prescribed in the Letter of Understanding entered into between the Corps, the Bureau of Reclamation, and the Authority in March and May 1980.

“(e) SANFORD DAM PROPERTY.—The Authority shall have the right to occupy and use without payment of lease or rental charges or license or use fees the property retained by the Bureau of Reclamation at Sanford Dam and all buildings constructed by the United States thereon for use as the Authority’s headquarters and maintenance facility. Buildings constructed by the Authority on such property, or past and future additions to Government constructed buildings, shall be allowed to remain on the property. The Authority shall operate and maintain such property and facilities without cost to the United States.

“SEC. 5. RELATIONSHIP TO CERTAIN CONTRACT OBLIGATIONS.

“(a) PAYMENT OBLIGATIONS EXTINGUISHED.—Provision of consideration by the Authority in accordance with

section 3(b) shall extinguish all payment obligations under contract numbered 14-06-500-485 between the Authority and the Secretary.

“(b) OPERATION AND MAINTENANCE COSTS.—After completion of the conveyance provided for in section 3, the Authority shall have full responsibility for the cost of operation and maintenance of Sanford Dam, and shall continue to have full responsibility for operation and maintenance of the Project pipeline and related facilities.

“(c) IN GENERAL.—Rights and obligations under the existing contract No. 14-06-500-485 between the Authority and the United States, other than provisions regarding repayment of construction charge obligation by the Authority and provisions relating to the Project aqueduct, shall remain in full force and effect for the remaining term of the contract.

“SEC. 6. RELATIONSHIP TO OTHER LAWS.

“Upon conveyance of the Project under this Act, the Reclamation Act of 1902 (82 Stat. 388) [probably means act June 17, 1902, ch. 1093, 32 Stat. 388, see Short Title note under section 371 of this title] and all Acts amendatory thereof or supplemental thereto shall not apply to the Project.

“SEC. 7. LIABILITY.

“Except as otherwise provided by law, effective on the date of conveyance of the Project under this Act, the United States shall not be liable under any law for damages of any kind arising out of any act, omission, or occurrence relating to the conveyed property.”

**§ 600c. Nonreimbursable costs**

**(a) Construction, operation, and maintenance costs**

Notwithstanding any recommendations in the report mentioned in section 600b of this title to the contrary, only the costs of construction allocable to flood control and, upon approval by the President of a suitable plan thereof, to the preservation and propagation of fish and wildlife, and operation and maintenance costs allocable to the same purposes, shall be nonreimbursable.

**(b) Conditions precedent to construction**

Actual construction of the project herein authorized shall not be commenced, and no construction contract awarded therefor, until (1) the Congress shall have consented to the interstate compact between the States of New Mexico, Oklahoma, and Texas agreed upon by the Canadian River Compact Commission at Santa Fe, New Mexico, December 6, 1950, in conformity with Public Law 491, Eighty-first Congress, and (2) repayment of that portion of the actual cost of constructing the project which is allocated to municipal and industrial water supply and of interest on the unamortized balance thereof at a rate (which rate shall be certified by the Secretary of the Treasury) equal to the average rate paid by the United States on its long-term loans outstanding at the time the repayment contract is negotiated minus the amount of such net revenues as may be derived from temporary water supply contracts or from other sources prior to the close of the repayment period, shall have been assured by a contract satisfactory to the Secretary, with one central repayment contract organization, the term of which shall not exceed fifty years from the date of completion of the municipal and industrial water supply features of the project as determined by the Secretary.

**(c) Repayment contract**

The repayment contract shall provide, among other things, (1) that the holder thereof shall have a first right, to which right the rights of the holders of any other type of contract shall be subordinate, to a stated share or quantity of the project's available water supply for use by its constituent industrial and municipal water users during the repayment period and a permanent right to such share or quantity thereafter subject to payment of such costs as may be incurred by the United States in its operation and maintenance of any part of the project works; (2) that, subject to such rules and regulations as the Secretary may prescribe, the care, operation, and maintenance of such portions of the pipeline and related facilities as are used solely for delivering such water to the contract holder and its constituent organizations shall, as soon as is practicable after completion of the municipal and industrial water supply features of the project, pass to the contract holder or to an organization which is designated by it for that purpose and which is satisfactory to the Secretary; and (3) that title to such portions of the pipeline and related facilities shall in like manner pass to the contract holder or its designee or designees upon payment to the United States of all obligations arising under sections 600b and 600c of this title or incurred in connection with the project.

(Dec. 29, 1950, ch. 1183, § 2, 64 Stat. 1124.)

## REFERENCES IN TEXT

Public Law 491, Eighty-first Congress, referred to in subsec. (b), is act Apr. 29, 1950, ch. 135, 64 Stat. 93, which is set out as a note below.

## CONSENT OF CONGRESS TO COMPACT

Act Apr. 29, 1950, ch. 135, 64 Stat. 93, provided: "That the consent of the Congress is hereby given to the States of Oklahoma, Texas, and New Mexico to negotiate and enter into a compact not later than June 30, 1953, providing for an equitable apportionment among the said States of the waters of the Canadian River and its tributaries, upon the condition that one suitable person, who shall be appointed by the President of the United States, shall participate in said negotiations as the representative of the United States and shall make report to the Congress of the proceedings and of any compact entered into. Said compact shall not be binding or obligatory upon any of the parties thereto unless and until the same shall have been ratified by the legislature of each of the States aforesaid and approved by the Congress of the United States."

**§ 600d. Sanford Reservoir recreation facilities; allocation of water, reservoir capacity, or joint project costs of Canadian River project; municipal water use priorities; agreements for operation, maintenance, or additional development of project lands or facilities; disposal of project lands or facilities; nonreimbursable costs; cognizance of effect of fish and wildlife plan**

The Secretary of the Interior is authorized to investigate, plan, construct, operate and maintain, or otherwise provide for basic public outdoor recreation facilities at the Sanford Reservoir area, Canadian Federal reclamation project, to acquire or otherwise include within the project area such adjacent lands or interests

therein as are necessary for present or future public recreation use, and to provide for the public use and enjoyment of project lands, facilities, and water areas in a manner coordinated with other project purposes: *Provided*, That this section shall not provide the Secretary with a basis for allocation to recreation of water, reservoir capacity, or joint project costs of the Canadian River project nor affect the priority for municipal use of water stored in the Sanford Reservoir, or the priority of use for municipal purposes of the capacity of said reservoir. The Secretary is authorized to enter into agreements with Federal agencies or State or local public bodies for the operation, maintenance, or additional development of project lands or facilities, or to dispose of project lands or facilities to Federal agencies or State or local public bodies by lease, transfer, conveyance or exchange upon such terms and conditions as will best promote the development and operation of such lands or facilities in the public interest for recreation purposes. The cost of providing basic recreation facilities shall be nonreimbursable. In carrying out the aforesaid activities the Secretary shall take cognizance of the effect of the fish and wildlife plan approved by the President December 19, 1962, pursuant to sections 600b and 600c of this title in providing facilities at the Canadian River project which have general recreation utility.
