In the event of a controversy between the United States and a State as to whether or not lands are subject to the provisions of this subchapter, the Secretary is authorized, notwithstanding the provisions of section 1335(a) and (b) of this title and with the concurrence of the Attorney General of the United States, to negotiate and enter into agreements with the State, its political subdivision or grantee or a lessee thereof, respecting operations under existing mineral leases and payment and impounding of rents, royalties, and other sums payable thereunder, or with the State, its political subdivision or grantee, respecting the issuance or non-issuance of new mineral leases pending the settlement or adjudication of the controversy.
