

ern tier States and the States of California, Alaska, and Hawaii.

(3) The term “crude oil transportation system” means a crude oil delivery system (including the location of such system) for transporting Alaskan and other crude oil to northern tier States and inland States, but such term does not include the Long Beach-Midland project.

(4) The term “Long Beach-Midland project” means the crude oil delivery system which was the subject of, and is generally described in, the “Final Environmental Impact Statement, Crude Oil Transportation System: Valdez, Alaska, to Midland, Texas (as proposed by Sohio Transportation Company)”, the availability of which was announced by the Department of the Interior in the Federal Register on June 1, 1977 (42 Fed. Reg. 28008).

(5) The term “Federal agency” means an Executive agency, as defined in section 105 of title 5.

(Pub. L. 95-617, title V, § 503, Nov. 9, 1978, 92 Stat. 3158.)

DEFINITIONS

The definition of “State” in section 2602 of Title 16, Conservation, applies to this section.

§ 2004. Applications for approval of proposed crude oil transportation systems

The following applications for construction and operation of a crude oil transportation system submitted to the Secretary of the Interior by an applicant are eligible for consideration under this chapter:

(1) Applications received by the Secretary before the 30th day after November 9, 1978.

(2) Applications received by the Secretary during the 60-day period beginning on the 30th day after November 9, 1978, if the Secretary determines that consideration and review of the proposal contained in such application is in the national interest and that such consideration and review could be completed within the time limits established under this chapter.

An application under this section may be accepted by the Secretary only if it contains a general description of the route of the proposed system and identification of the applicant and any other person who, at the time of filing, has a financial or other interest in the system or is a party to an agreement under which such person would acquire a financial or other interest in the system.

(Pub. L. 95-617, title V, § 504, Nov. 9, 1978, 92 Stat. 3158.)

§ 2005. Review schedule

(a) Establishment

The Secretary of the Interior, after consultation with the heads of appropriate Federal agencies, shall establish an expedited schedule for conducting reviews and making recommendations concerning crude oil transportation systems proposed in applications filed under section 2004 of this title and for obtaining information necessary for environmental impact statements required under section 4332 of title 42 with respect to such proposed systems.

(b) Additional information

(1) On his own initiative or at the request of the head of any Federal agency covered by the review schedule established under subsection (a) of this section, the Secretary of the Interior shall require that an applicant provide such additional information as may be necessary to conduct the review of the applicant's proposal. Such information may include—

(A) specific details of the route (and alternative routes) and identification of Federal lands affected by any such route;

(B) information necessary for environmental impact statements; and

(C) information necessary for the President's determination under section 2007(a) of this title.

(2) If, within a reasonable time, an applicant does not—

(A) provide information required under this subsection, or

(B) comply with any requirement of section 1734 of this title,

the Secretary of the Interior may declare the application ineligible for consideration under this chapter. After making such a declaration, the Secretary of the Interior shall notify the applicant and the President of such ineligibility.

(c) Recommendations of heads of Federal agencies

(1) Pursuant to the schedule established under subsection (a) of this section, heads of Federal agencies covered by such schedule shall conduct a review of a proposed crude oil transportation system eligible for consideration under this chapter and shall submit their recommendations concerning such systems (and the basis for such recommendations) to the Secretary of the Interior for submission to the President. After receipt of such recommendations and before their submission to the President, the Secretary of the Interior shall provide an opportunity for comments in accordance with paragraph (2). The Secretary of the Interior shall forward such comments to the President with the recommendations—

(A) in the case of applications filed under section 2004(1) of this title, on or before December 1, 1978, and

(B) in the case of applications filed under section 2004(2) of this title, on or before the 60th day after December 1, 1978.

(2)(A) After receipt of recommendations under paragraph (1) the Secretary of the Interior shall provide appropriate means by which the Governor and any other official of any State and any official of any political subdivision of a State, may submit written comments concerning proposed crude oil transportation systems eligible for consideration under this chapter.

(B) After receipt of recommendations referred to in subparagraph (A), the Secretary of the Interior shall make such comments and recommendations available to the public and provide an opportunity for submission of written comments.

(d) Review by Federal Trade Commission; effect on the antitrust laws

(1) Promptly after he receives an application for a proposed crude oil transportation system
